Proceedings of the Madras Government, Revenue Department,
1st May 1867.

No. 15. Read the following letter from the Commissary General, to the Secretary to Government, Military Department, Fort Saint George, dated Madras, 25th April 1867, No. 535 :—

1. With reference to Proceedings and Order of the Madras Government, Revenue Department, dated 24th January 1867, No. 233, on the subject of cattle

No. 491.

required by the Bombay Government, I have the honour to inform you that the present allotment of bulls in the "Amrut Mahal" establishment, viz., five to every 200 head of cows, is barely sufficient, and that we cannot spare any of those we have lately purchased.

2. I would, however, suggest that this department may be permitted to purchase ten full-grown bulls for the use of the Collector of Khandeish; to these ten young bulls, from amongst those purchased in 1865, might be added, and which will be fit for breeding purposes in another year.

3. There would be no objection to our giving ten cows out of our "Amrut Mahal" herds.

4. It will be necessary to accustom the whole of these bulls and cows to herd together before starting them for Khandeish, for which place they should leave about September.

5. As the ten full-grown bulls ought to be purchased as soon as possible, I request early orders on the subject.

6. The arrangements for sending the requisite attendants will be made by this department.

Transferred to the Revenue Department.

Secretary to Government.
