Government Gardens
Ootacamund 13th May 1867.

From The Acting Superintendent
Government Cinchona Plant.
Ootacamund
To The Secretary to Government
Revenue Department
Fort St. George. Madras

Sir. I have the honor to acknowledge
the receipt of your official memoran-
dum N^o 53 dated the 10th instant, and
beg to state that no order has been
received from Government respecting
the disposal of the Cinchona bark.
This bark was taken from
the trees cut down with a view to test the
practicability of the Coffee system,
when applied to Cinchona trees, and it
was no doubt the intention of Government
to ascertain at the same time the
market value of the bark, which object
could be best obtained by sending it
to Mr. Howard.

I have the honor to be,
Sir,
your most Obedt Servt
C. Batesock
Actg. Supd. Govt Cin. Plant.
