Service Telegram.

From Mangalore  
Collector

To Madras.

Revenue Secretary to  
Government.

Your Telegram - The proposed boundary line reaches the foot of Nethur Ghut, the top of which forms the Mysore boundary - the exact position of the peak is not known.

8.7.67.

Sg. Collector.

17/2

South Canara Collectors Office,  
Mangalore, 9 July 1867.  
From H. S. Thomas Esq.  
Acting Collector of South Canara  
To H. Middleton Esq.  
Secretary to Government  
Revenue Department  
Fort St. George.

Sir,  
In replying as per enclosure to your  
Telegram, dated 5<sup>th</sup> instant, I have the honor  
to inform you that from the records in my  
office it appears that the end of the boundary  
does not seem to have been fixed. The most exact  
definition is that given by Mr. W. H. Morrison  
Collector of South Canara who says "It then  
follows this ditch for about half a mile and  
from the end of it the line goes pretty direct over  
a hill between a couple of <sup>gorges</sup> Shalls up to an old  
fort which is situated at the foot of a Ghat  
the top of which forms the Mysore Boundary".  
The word "Ghat" appears to be used in the sense  
of Hill only, and not as of a Hill road or  
made Ghat.

I have the honor to be,  
Sir,  
Your most obedient servant.

Matthew  
Acting Collector.

is a letter from the Acting  
Collector of South Canara to  
the Secretary to Govt. dated  
26 July 1867.  
1867.  
Copy of Telegram stating  
that the line of the line  
fixed boundary between  
South & North Canara  
reaches the foot of the  
Hill which is the  
of a hill from the  
Mysore boundary.
