I have the honour to report the conclusion of the settlement of the proposed Tandappantangal extension A reserved forest in the Arcot taluk of your district.

2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated the 30th June 1896, and the proclamation under section 6 was published in the District Gazette, dated 1st August 1896.

3. The block was perambulated, inspected and enquired into by me in January last, when four claims in all were filed for two cart-tracks and two foot-paths. One claim to right of way over a cart-track was rejected on the 4th instant, and the appeal time will expire on the 3rd August 1897; but to save delay the final report is now submitted as the cart-track runs into the Tandappantangal reserve in which no right is admitted.

(*a*) B. register of claims.
(*b*) Draft notification under section 16.

2. It is observed from the draft notification that the District Forest-officer has revised the north boundary of the block so as to exclude the supply channel, with reference to paragraph 2 of Board's Proceedings, Forest No. 129, dated 19th March 1896, disposed of in Government Order, No. 287, Revenue, dated 24th June 1896. As this exclusion necessarily throws out the foot-path from Tennampattu to Alivaditangi, he has also struck out this admitted right in the notification. This fact has not been noted in the register, apparently, because the exclusion was made subsequent to the submission of the settlement report by the Forest Settlement-officer.

3. The block covers an area of 291·75 acres as finally settled, and may be declared reserved from the 15th March next.
