Government is requested to write off the irrecoverable arrears noted in the margin. It is stated that the amount appearing against Chingleput and a sum of Rs. 1,601-0-2 included in the amount shown against Vizagapatam were erroneously included in the demand. The balance of Rs. 74-10-3 appertaining to Vizagapatam represents the amount fetched at the sale of minor forest produce but which could not be collected owing to the bidders having withdrawn themselves after the sales.

It is not reported whether the forest produce was re-sold, but it is presumed that the defaulters have no property to be proceeded against for the recovery of the amount. The amount shown against Madura represents the amount lost to Government by the re-sale of minor forest produce on the failure of the original lessee to execute the usual muchilka. The defaulter has no property and his whereabouts are unknown. The amounts shown against the remaining districts are irrecoverable, the processes authorised by law having been exhausted.
