GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 4618, dated 2nd December 1897 :—

Read—the following letter from M.R.Ry. P. SITA RAU Pantulu Garu, Deputy Collector of Nellore, to the Collector of Nellore, dated 27th September 1897, No. 3752-II :—

Survey No. 194, measuring 7.94 acres, assessed at Rs. 9-15-0 and covered by title-deed No. 1854 of Lebur, is a dharmadayanam Inam granted free for the benefit of the public.

2. During the last jamabandi it was brought to notice that the object of the grant is not being fulfilled and that some of the trees were cut away. The jamabandi officer (the Collector) thereupon directed a notice to be served on the inamdars, that the inam if not planted with trees within six months will be resumed. On the enquiry set on foot with reference to this order one G. Ramiah appeared and said that the land in question was sold to his father on the 18th February 1878 and that it has since been in the possession and enjoyment of his father and since his death, of himself and requested that it may be transferred to him.

3. Samanthula Venkata Reddy and Pemdla Achamma of the family of the original inamdars repudiate the sale and want the inam to be made over to them. The sale-deed filed by G. Ramiah proves the sales invalid though it is and it is also proved that he has been in possession and enjoyment of it.

4. The question now is who is to hold the inam.

In 1890 the purchaser of the land was given a notice to plant the land with trees and he took no steps to do so and I do not think he will do so even now. The other claimants are not in possession of land and they cannot do anything.

5. As the object of the grant is violated and as it is hopeless to expect that either of the two claimants would continue the charity I think it desirable to resume the inam and make it over to the Nellore Taluk Board for utilization of the income thereof for some charitable purposes and submit the case for your orders.

The resolution of the Taluk Board on the subject is enclosed.

Endorsement by E. SCOTT, Esq., Acting Collector of Nellore, dated 8th November 1897, Ref. No. 1978-Ver.

Submitted to the Board of Revenue.

2. The inam may be ordered to be resumed as recommended by the Deputy Collector.

Resolution—Mis. No. 4618, dated 2nd December 1897.

Submitted for the orders of Government.

2. The Board recommends that the charitable tope inam covered by title-deed No. 1854 may be resumed and that the assessment may be made over to the Nellore Taluk Board, which has consented to utilize the same for opening water-pandals.
