Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture.)

Dated 13th February 1897.

No. 1139 — Misc.

READ Supplemental statement showing the amount recommended to be written off as irrecoverable under the Land Improvement Loans Act for the quarter ending 30th September 1896 submitted by the Collector of Cuddapah dated 13th November 1896 Reference No: 6548/ Rev: of 96.

Reference thereon to the Collector, dated 7th December 1896:—

The Collector is requested to state whether the loan of Rs 50 referred to in the statement read above, was granted under the Special Will rules and if so, what security was taken for each instalment of the loan.

Read also the following reply thereto from the Collector dated 23rd January 1897

27. In Current No. 6548/Rev-96:-

In reply to Board's Reference on General Register No. 7109 of 96, I have the honor to state ⁷⁻¹²⁻⁹⁶ that the loan of Rs 150 in question was granted under special well rules of the Land Improvement Loans Act. The security offered and accepted at the time of the payment of first instalment was assessed at Rs 1-0-0 out of Survey No. 193. No additional security was demanded and taken when the second instalment was paid. The omission was pointed out to the Tahsildar by the Divisional Officer. The Tahsildar responsible for this omission is Mr. S. Krishna Rao, now retired.

Resolution

Submitted for the orders of Government.

2. A loan of Rs 150 was advanced to one Mandigala Yellagada of Main-Kommadine village, Kadiri taluk, Odapah District, under the special well

Well rules on the security of the ayakat lands estimated at Rs 80 by the village officers. The borrower having failed to complete the work within the time allowed the loan was ordered to be summarily recovered with interest. The lands pledged as security, the available movable property as well as the crops on the land were proceeded against and sold for Rs 91-12-0. The balance still due by the borrower is Rs 95-12-9 and it is stated that there is no means of realizing this amount.

3. The grant of the loan in this case was irregular, as both the instalments were granted on the same security, viz, the ayakat lands valued at only Rs 80. The lands were also ~~over~~ looked over-valued. The Collector reports that the village officers who over-estimated the lands are not in office, that the Revenue

who recommended the grant of
the loan is dead and that the
Tahsildar who sanctioned the
loan, has retired from service.
In that these circumstances, the
Board supports the Collector's re-
commendation that the amount
viz. Rs 95-12-9 may be ordered
to be written off the accounts.
