Private charity.—No organised private charity at work. Some gentlemen at Aska are feeding between 20 and 30 helpless people daily. Messrs. Artaviswasara and Vinayaka Santara of Radhadevipuram near Pattupur in Chinnakimedi have been feeding 100 poor and distributing cloths in deserving cases, since the close of Government relief.

Government {1897} of Madras. REVENUE.

6 BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), No. 733, 2ND DEC. 1897.

INSPECTIONS OF THE DISTRICT OFFICERS.

Taluk and places visited.—The Principal Assistant Collector and the Head-quarters Deputy Collector have visited no villages during the fortnight, the latter being in charge of the District treasury. The Senior Assistant Collector and the Goomsur General Deputy Collector have visited four and thirteen villages in their respective divisions. No further famine inspection appearing necessary, I remained in Head-quarters for the first week of the fortnight preparatory to proceeding on hill tour, and have since visited Berhampur, Ballipada, Digupudi, Pudamari and Govindapur.

No special remarks are called for. Private charity is now quite sufficient to meet all needs, and field labour is abundant as the paddy harvest has commenced.

There has been a general rise to a small extent in the price of ragi, and it is improbable that the price of this grain will fall to its normal rate during the next year.

There has, at three stations and notably in Berhampur, been a slight rise in the price of rice. This was probably due to a scare caused by heavy rain from 9th and 10th November. This has now passed off without causing any material damage, and an early or rapid fall in the price of rice may now be looked for, as the prospects of the paddy crop are very good.

All Government relief has ceased for sometime; it merely remains to collect a few outstanding cloths from defaulting weavers. Efforts are being made to dispose of the cloths locally by sale.
