BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 20TH FEB. 1897, No. 150.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following G.O., No. 106, Revenue, dated 16th February 1897 :—

Read—the following letter from the Government of India, Revenue and Agricultural Department (Famine), dated 12th February 1897, Circular No. 15 F.—103-1 :—

I am directed to enclose, for the information of the Governor in Council, a statement which has been compiled in this office from the district returns of famine relief operations published weekly in the Local Gazette of each province.

2. It is observed that the district returns of the several provinces are not made in a uniform manner. In some provinces non-working children and other dependants, who are relieved on relief works, are not shown separately but classed under the head of gratuitous relief. In other provinces, the number of persons relieved in poor-houses are similarly not separated from those relieved by village doles or semi-gratuitously. I am accordingly to suggest that the return of famine relief operations for each distressed district in the weekly crop and weather report published in the Local Gazette may give among other details the following :—

	Men.	Women.	Children.
Relief workers	..	..	..
Dependants	..	..	..
Relieved in poor-houses	..	..	..
Otherwise relieved	..	..	..
(Test workers)	..	..	..

It is not necessary to give these details for each district in the weekly summary telegraphed to the Government of India, though, if they are available when the summary is despatched, they may be conveniently given for the *province* in addition to the provincial total of the numbers on relief.

Order—No. 106, Revenue, dated 16th February 1897.

Communicated to the Board of Revenue for compliance.
