PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

RESOLUTION—No. 155, dated 11th May 1897.

Several instances have recently occurred in which communications of an important nature sent by Collectors through the parcel post have been received in this office in a torn condition; and in one case there was evidence to show that the parcel which contained several confidential documents had been tampered with. The Board, therefore, resolves to direct that all important communications, which cannot come by ordinary letter post, shall in future be sent by registered letter post and not by parcel post.
