Enclosure.

From

The Special Deputy Collector

on Forest Settlement Duty,

Nellore, etc., Districts.

To

The Secretary to the Board of Revenue,
Land Revenue Department,
Madras.

Sir,

With reference to Board's Reference
dated 13th Instant, Forest Reference No.

I have the honor to report that the only
objection to the transfer of the blocks
therein referred to, is that they are not
yet ready for settlement. In some cases,
proclamation under Section 6 of the act
has just been published and in other
cases, the republication of the notification
under Section 4 in the District Gazette
is awaited. I would therefore, suggest
that the following reserves which are
ready for settlement or some of them
may be transferred to Mr. R. H. L. Lushington

- (1) Velgare Block I of Vandikothur Taluq.
- (2) Gurala panta Block II of Vandikothur Taluq.
- (3) Eastern Vallamalai Block I of Vandikothur Taluq.

- Common Code block 11
 Common Code block 12
 6) Kakkirala Extension 7
 7) Gudimetta
 8) Budanada Extension 1
 9) Budanada Extension 2
 10) Budanada Extension 3

Kistna
 District

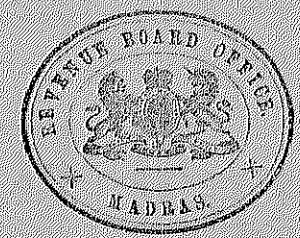

Pandigama
 Taluq

of the above No. 1 is the largest pending
 having been notified under Section 4 of the
 Forest Act in December 1894. This reserve
 should have been settled long ago. but
 this an oversight of my predecessors no
 proclamation was issued, and when this
 was done in April 1896, the Tahildar
 failed to have it published in proper time.
 A ~~first~~ ^{first} proclamation was issued and
 published in the Supplement to the
 District Gazette dated 21st November 1896.
 and the block is now ready for settlement.
 I had arranged with Mr. Lodge to
 take up the settlement of this and the
 adjoining reserve. No. 2 above about the
 middle of March next; but as the
 Papaw. Veligada boundary dispute is to be
 taken up before the hot weather sets in,
 I am afraid I shall not be able to
 do the settlement of the Veligada reserve

at present. I would therefore suggest
 that advantage may be taken of this
 opportunity of transferring this and the
 adjoining block to Mr. R.H.L. Lushington
 for disposal as early as possible. If the
 Board does not approve of this proposal
 the Eastern Bahawalai Extension I
 which is near the Giddalur Railway
 Station or any of the reserves in the Kistna
 District referred to above may be transferred
 to him for disposal

I have the honor to be

Miscellaneous.

the following
Read again Board's Reference dated 13th February 1897.

The Board has under Consideration the question of providing Mr R. A. L. Lushington with some additional work which can be taken up immediately. Mr E. A. Smith is requested to report at a very early date whether there is any objection to the marginally noted blocks being transferred to Mr Lushington for settlement. If Mr Smith can suggest the names of other blocks which could be more suitable for transfer, he is requested to report accordingly.

at some future date -
In order to keep him
employed now, it is

Resolution.

The Board having ascertained that there was not sufficient work ready for Mr Lushington in the District under his charge, owing to want of sketch maps or other information, addressed Mr E. A. Smith on the subject in view to provide the former officer with some additional work which could be taken up immediately. In the reply read above, Mr Smith reports that the marginally noted blocks in the Kurnool District are now ready for settlement and that he had arranged with the District Forest Officer to begin the settlement work in March of this year. Mr Smith will be busily engaged on the Papur-Veligonda boundary settlement, [vide G. O. 679 Rev. 2730-11-96] and will not be able to find time for the work in Kurnool.

2. The Board therefore proposes to transfer the 3 blocks noted above to Mr R. H. Lushington, who will be instructed to undertake their settlement immediately. The appended notification is submitted for the approval of Government and for early publication in the Fort St George Gazette.
3. It may be found necessary to transfer to Mr Lushington some of the blocks in Krishna, but

but for the present the additional work provided for him in Kurnool will suffice. The Board will address Government again in regard to the Krishna blocks, if it is proposed to transfer their settlement to Mr Lushington.
