The peti. states as follows:-
 When the peti. was attending the Survey School certain survey instruments were not given to him. He complains of this and after repeated applications a receipt was produced from the settlement office purporting to have been given by the peti. for his having been supplied with certain survey instruments. The peti. ~~of~~ denies having given any such receipt. Thereupon he was supplied with certain instruments & was charged Rs 2/02 for it the amount having been deducted from his pay. He submits that his works great hardship upon him as his salary is only Rs 6 per mensem. When all other Karnams receive the instruments in question gratis it is unjust that ~~to~~ an exception should be made in the peti's case. The local authorities have been applied for for justice but in vain. The peti. therefore prays that the matter may be enquired into and that orders may issue for the refund of the above amount.
