(Famine.)

SIR,

I am directed to enclose for the information of the Governor in Council, a statement which has been compiled in this office from the district returns of famine relief operations published weekly in the Local Gazette of each Province.

2. It is observed that the district returns of the several provinces are not made in a uniform manner. In some provinces non-working children and other dependants, who are relieved on relief works, are not shown separately but classed under the head of gratuitous relief. In other provinces the number of persons relieved in poor houses are similarly not separated from those relieved by village doles or semi-gratuitously. I am accordingly to suggest that the return of famine relief operations for each ^{distressed} district in the weekly crop and weather report published in the Local Gazette may give among other details the following:-

	Men.	Women.	Children.
Relief workers.	...	...	...
Dependants	...	...	...
Relieved in poor houses	...	...	...
Otherwise relieved	...	...	...
(Test workers)	...	...	...

In L. L. 68. 7
in Code

It is not necessary to give these details for each district in the weekly summary telegraphed to the Government of India: though if they are available when the summary is despatched they may be conveniently given for the province in addition to the provincial total of the numbers on relief.

I have the honour to be,

Sir,

your most obedient servant,

J. Holderness

REVENUE.

It is not necessary to give these details for each
district in the weekly summary forwarded to the Government
of India: though it may be desirable when the
summary is forwarded they may be occasionally given for
the province in addition to the provincial total of the
numbers on relief.

I have the honor to be,
Sir,
Your most obedient servant,
