Sir,

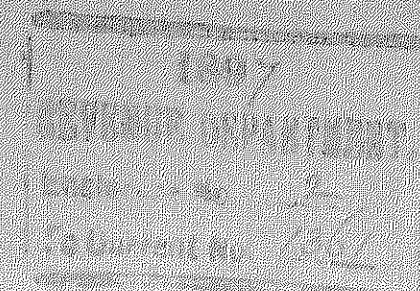

In reply to Board's Reference on Govt. R. No. 2186 dated 6th November 1896, I have the honour to state that the thatched building - close to the Hospet Railway station was erected by a Muhammadan 3 - or 4 years back on a Government waste land without permission. The - owner is willing to remove it within a month and I have ordered the Tahildar of Hospet to see that the building is removed as soon as possible.

Dated 21st January 1897

From

Collector of Kurnool.

To.

The Secretary to the Commissioners of Land
Revenue, Madras.

Sir,

Referring to Board's Proceedings dated 6th November 1896 on Govt. Regr. No. 2186 of 1896 I have the honor to state that the objectionable buildings referred to are on fields Nos. 535B & 543 North & East of the Railway compound now relinquished by the Southern Mahratta Railway vide B.P. No. 3259 Misc. dated 16th July 96. These ~~are~~ ^{form} the hotels for the Railway passengers and stables for the transit horses. Almost the whole of the traffic for this station is contributed by the Town of Kurnool and the existence of these buildings is absolutely necessary for the convenience and comfort of the passengers.

The objection raised by the Railway Department is that nuisances are being committed close to staff-quarters. Police station is situated within a few yards east of these buildings. Instructions will be issued to the Police and Village officers to prevent them.

The enclosures one sketch and 5 papers are returned.

I have &c.
