From the Secretary to Government, Revenue Department, dated 22nd Dec. 1896, No. 98.

No. 16 I.

Note by the Chief Engineer for Irrigation.

In paragraph 6 of G.O., No. 858 I., dated 24th October 1895, it is stated that, in the case of dasabandam irrigation works, the usual percentage charges for establishment, tools and plant should be waived. This rule has hitherto been applied only to estimates for restoring dasabandam tanks, the cost of which is divided between Government and dasabandamdars. It is laid down in G.O., No. 772 I., dated 10th September 1892, that the percentage charges should be waived in the case of ordinary repairs to dasabandam tanks when Government revenue or the security of other Government tanks is concerned.

2. It is now proposed to waive the charges in the case of all dasabandam tank works whether restoration or ordinary repairs.

25th January 1897.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

ORDER—No. 143 I., dated 12th February 1897.
