SUBJECT.

Submg to Govt. Cattle, from the Collector of Kistna requesting that a Photographic printing process may be supplied for the use of his Dt. Record office and recommending that the Supdt of Cattle Farm may accordingly be authorised to supply the Dt. with a set of apparatus and materials required for the Process

The Board of Rev: is requested to report whether the reasons now advanced by the Collector of Kistna will not apply in the case of other districts as well and if so, whether it is considered advisable that the supply of the apparatus and materials to all Dists should be sanctioned.

Sd/

The draft is in a way an invitation to extra expenditure. Perhaps it would be better to sanction it as a case without saying any thing as to general question. 13-2-97
