His Excellency
the Governor
in Council,
Madras.

The humble memorial
of the village officials
of the village of Nen-
duballi, Bapatla
Kistna District.

Respectfully sheweth,

(1) that the clubbing of the
village No 52 Nen duballi
with 55 Appikatta was
proposed by the collector;
that they petitioned the
Board of Revenue praying
that it was fit to be kept
as a separate village
and if it should be
united at all, it was
better to unite it with
the village of Karlapalem
than with Appikatta.

(2) our petition was referred
to the collector to be dis-
posed of, who in his
endorsement Dis no 5202

of 30-11-96. said that the clubbing already contemplated could not be interfered with. Both the endorsements are herein enclosed.

(3) the amount of Land Revenue of the village at present is Rs 2600. with a chance of being doubled or tripled in case Poondla project should come into a working order.

(4) the villages proposed to be clubbed do not adjoin each other but are separated by two Agraharams the distance between being not less than two miles and a sketch herein enclosed will show the position of the villages.

(5) the conditions of the village noted in paras 3 & 4 are not consistent with the rules of clubbing proposed under Sec 20 of the Madras Act III of 1895.

(6) the only apparent

to be that it is uninhabited or (Béchirak.) Ten years ago a village was built; but it was washed away by floods as the place selected happened to be a low one. The villagers sought for a locality of higher level which the Board of Revenue kindly pleased to sanction but before it was apportioned to individuals D.P.W. made pits all over the site for bricks & tiles, and so the site became useless for village site. Many ryots and village officials are now ready with their materials if only a village site be shown to them.

(7) The Tahsildars who were consulted about this clubbing gave their opinions against it.

(8) Out of the Pattadars of the village who are
