From Karupanasu

Petition current no. 1953
1894

To The Collector, Tinnevely Dist.

His Excellency the Governor in Council
Fort St. George
Madras
The humble petition of Karupanasu
a resident of Virudupatty in
Tinnevely District.

May it please His Excellency,

The humble petitioner most earnestly
begs to state that a contract to construct a water-
lift at a cost of Rs 120, was entered into by the
poor petitioner with the Government through
the then Sub Magistrate Mr. Sankara Aiyar, who
is now a Tahsildar of Tinnevely District.

The said Sub Magistrate paid Rs 30
in advance and promised to pay the balance
of Rs 90 after the completion of the work.

It was accordingly completed, but
the said Sub Magistrate now refuses to pay
the balance and says that the petitioner
should get the balance from the villages
while the petitioner had contracted direct
with the Government.

The poor petitioner fully explained
all the above circumstances to the District
Collector of Tinnevely, but with no use, as can
be seen by his endorsement herein enclosed.

Honored Sir,

I most humbly beg your honor
to grant me leave to submit the following
few lines to your honor's kind consideration.

1 I was ordered through the Tahsildar Sanka-
ra Aiyar who is now at Ambasamedam
to construct a waterlift to the value of Rs
120, for the public good; the contract was
given to me by the Government.

2 The Tahsildar paid me in advance Rs.
30, on writing out a (Murchilika), a kind of
bond.

3 I began the work with the distinct under-
standing as shown in the bond, that
the Government would pay me the
balance Rs. 90.

4. On the completion of the water-lift, it was
given to the people of Virudupatty, by the
Collector's order, after inspecting the same.
