Proceedings of the Board of Revenue (Land Revenue)

NO. 427 Misc. dated 2nd. February 1897.

Read letter from A.T. Forbes Esq., Ag. Collector of Cuddapah to the Secretary to the Commissioners of Land Revenue, Madras through the Inam Commissioner, Madras, Ref on Cdr. No. 2697-Petn., dated 6th December 1896; and the endorsement of the Inam Commissioner thereon dated 16th December 1896.

Resolution.

Submitted for the orders of Government.

2. In G.O. No. 4849 Misc. dated 26th December 1896 on Board's Proceedings No. 650 dated 15th November 1896 Government sanctioned the Board's recommendation that the Ardhadastu & Pavudastu Inams in the Cuddapah District, which were classed before settlement as Government lands and after settlement as Inam within a right from time immemorial to seasonal remissions, might be enfranchised taking the average net jodi paid during a period of ten years. In para 3 of the letter read above, the Collector points out that certain other inams in his district, known as Trijayi Inams, are similar to the two kinds of Inams, above referred to. This similarity is uniform in all respects except that in the case of the Trijayi Inams one third of the assessment was being remitted on them every year instead of one half and one fourth. The Collector accordingly proposes that the Trijayi Inams may be brought to settlement and enfranchised on the same

Ardhadastu & Pavudastu Inams were dealt with. The Board supports the Collector's proposal and requests the sanction of Government for adopting this procedure.

3.. It is presumed that the necessary accounts are available for ten years to enable the average being struck for the purpose of fixing the jodi payable on the Trijayi Inams in question. Barlapalle is mentioned as one of the three villages, in which these inams are situated. This is apparently identical with the village of Baragalapalle, bearing map No. 53.

2. In G.O., Mis. No. 4849, dated 26th December 1893, on Board's Proceedings, No. 650, dated 13th November 1893, Government sanctioned the Board's recommendation that the Ardhadastu and Pavudastu inams in the Cuddapah district, which were classed before settlement as Government lands and after settlement as inam with a right from time immemorial to seasonal remissions, might be enfranchised taking the average net jodi paid during a period of ten years. In paragraph 3 of the letter read above, the Collector points out that certain other inams in his district, known as Trijayi inams, are similar to the two kinds of inams above referred to. This similarity is uniform in all respects except that in the case of the Trijayi inams, one-third of the assessment was being remitted on them every year instead of one-half and one-fourth. The Collector accordingly proposes that the Trijayi inams may be brought under the inam settlement and enfranchised on the same terms as those on which the Ardhadastu and Pavudastu inams were dealt with. The Board supports the Collector's proposal and requests the sanction of Government for adopting this procedure.

3. It is presumed that the necessary accounts are available for ten years to enable the average being struck for the purpose of fixing the jodi payable on the Trijayi inams in question. Barlapalle is mentioned as one of the three villages in which these inams are situated. This is apparently identical with the village of Buragala-palle bearing map No. 53.
