On receipt of the part copy of
the telegram C no 1645, it is found
that it is in reply to a telegram
of the Govt d. 17th inst which must
have issued from the marine Dept. It
has been ascertained that it was not
despatched from any of the other Depts - a
telephonic message has been sent to the
marine Dept enquiring whether the telegram
of the 17th inst was despatched from that Dept
but no reply has been recd. (6-25 p.m.)

My dear Sir

I am sending you
 frequency today the Serraval
 paper issued yesterday on the
 Graving Docks. The matter comes
 up on the 4th - Christie opposes.
 The Admiralty has behaved with
 unwonted generosity, and I
 suppose that our harbor would
 be incomplete without the Docks.
 But

very bright.
The Governor has been touring
in the North, & has now gone to
Trincomalee. He has had
very fine weather.

I am

Yours sincerely

Dear Sir Arthur

I am sorry there should have been so much delay in replying to your letter of the 3rd, the enclosures to which I return. We reached me yesterday morning & I at once telephoned to the office for the papers, ~~but~~ which were only sent up by the cart at about 2 P.M. I find we telegraphed on Jan 30 & India asking it to issue notices under S. 19 of the Sea Coast Act & other import of waste paper and other infectious articles [This was on the initiative of the Sanitary Committee] in addition to rags and second-hand clothing, ~~as well as~~ import of fish.

was already prohibited, from
ports under quarantine "and
also from Ceylon - Goods under trans-
shipment brought from Bombay are
being transhipped at Colombo to
Tuticorin" -

This last statement now seems to be inaccurate - But it is evident that we are not sufficiently guarded if while ~~allowing~~ prohibiting direct import from guaranteed ports we leave the door open to import from those ports by means of transshipment through ports not under guarantee. There may further to have been no such transshipment, because, so long as our ports were open to all articles, there was no need for it and it was cheaper to send direct.

But when our ports are closed to direct trade in sugar &c, the restriction to indirect trade is at once supplied, & transshipment may begin tomorrow - I would therefore leave our representation to India unmodified, inasmuch though it be -

The inaccuracy might be corrected by letter, if thought advisable —

You will notice that what
we have done is, for that of
killing vessels from Cape into
Guantanamo - Informed. Please accordingly.

My dear Sir.

I have to thank you for the
note of the 1st received
yesterday.

I am not intended to convey to
you that goods from Bombay
were transhipped here to the
Tuticorin Steamers. What
does occur is that goods from
Bombay for Cochin are
transhipped

10-1-12
transhipped at Pankajin
for Bombay: & kept over by
the B. I. Steamers.

We have established
quarantine here of ten
days on Steamers from the
West Coast of India.

We have a Plague
Commission sitting of which

I am a member - Mr. Chief
Inspector will be to clear
Colonies which will not be
an easy matter.

Yours sincerely

Lionel F. Lee
