Proceedings of the Board of Revenue

(Land Revenue),

Dated 13 November 1895

No. 5658 mis.

READ Letter from the Collector of Vizagapatam
his No. 4923 dy 27 September 1895
Also letter from the Dt Judge, Vizagapatam
No. 1041 dy 5th Oct. 1895.

Resolution

The letters read above will be recorded.

It is presumed that the Treasury Dy. Collector has since apologised to the Dt Judge for the discourteous tone of his letter of the 18th June.

2 With a view to minimise delays in the District Press, the Collector recommends that a machine Press may be supplied and that two additional Compositors may be entertained to keep it working. The Board does not consider it advisable to incur a large expenditure to pro-
-cluding

purchasing such a machine for the
District Press as the printing of ordinary
Revenue and Judicial forms will, in
future be undertaken by the Secretariat
Press in accordance with the orders of
Government (G.O. 679 10.9.95 & 8. Communi-
-cated in B.P. No. 403 P. 877. 11.95). The
Collector is requested to state whether the
entertainment of two additional Compos-
-itors is in these circumstances still
necessary.

REVENUE BOARD OFFICE. MADRAS.

ACCOUNTANT GENERAL'S OFFICE 2 DEC 96 MADRAS

Proceedings of the Board of Revenue

(Land Revenue).

No.5284 Misc.,dated 25th November 1896.

Read the following :-

1. Again Board's Proceedings No.5658 Misc.,dated 13th November 1895,recording with remarks letters from the Collector and the District Judge,Vizagapatam regarding delays in printing certain judicial forms in the District Press and requesting the Collector to report whether the entertainment of two additional compositors is necessary.

2. Also letter from W.O.Horne Esquire,Ag.Collector of Vizagapatam,to the Secretary to the Commissioners of Land Revenue,Madras,Dis.No.39/Press of 1896,dated 27th October 1896.

Resolution

Submitted for the orders of Government.

2. With a view to minimize delays in the District Press,Vizagapatam,the Collector of that district proposed in his letter dated 27th September 1895 No.4923,disposed of in Board's Proceedings No.5658,dated 13th November 1895 (1) the purchase of a machine Press and (2) the entertainment of two additional compositors.The Board considered that it was not advisable to purchase an expensive machine Press,as the printing of ordinary Revenue and Judicial forms had been transferred to the Secretariat Press by Government Order No. 679 F.D.,dated 10th September 1895.The Collector was asked to report further,if necessary,on the second proposal.

3. In the letter read above,the Collector points out that the District Press,Vizagapatam,has the smallest

establishment in the Presidency (Vide Appendix E printed at page 43 of Board's Proceedings No.380, dated 7th October 1896)and that notwithstanding the relief afforded by the Government Order quoted above,the present staff is still unable to cope with the work which does not come under the description of Revenue and Judicial forms and which has to be executed at the District Press.The Board concurs that the Collector has made out a case for the strengthening of the District Press Establishment and recommends the addition of two hands as proposed by him.The scale of pay to be given to the additional compositors is not stated by the Collector:but two compositors on Rs.15 & Rs.10 per mensem respectively will be sufficient, and the Board has framed its Proposition statement accordingly.The charge can be met from savings under "30 Stationery and Printing-Establishment-Collectorate Presses."

4. The Collector will be informed that Disposal numbers forms ,which are referred to by him as an item of District Press work,are now being printed at the Government Press,Madras,and will shortly be obtainable from the Superintendent of Stationery.

5. In para 6 of the letter read above,the Collector suggests that a "Platen printing machine"with ink duct and two Columbian presses of an improved pattern may be supplied for the use of the District Press.This proposal will be referred for remarks to the Superintendent Government Press who is also requested to state whether the worn out machines belonging to the District Press may be sold locally.
