Resolution.

Submitted to Government through the Accountant-General, with the Board's recommendation that a deputation allowance not ex--ceeding ⅓ of his pay(Rs.600) may be granted to the Deputy Collec--tor for the period(11th July to 7th September 1896) of his stay at Madras in connection with the Railway land compensation case.

2. Mr.Pinto applied under article 1159 of the Civil Service Regu--lations for the grant of halting allowance after the expiration of the first ten days;but the Board desired him to present his --- claim in full after the expiry of the period of his special duty at Madras.If the deputation allowance now proposed is sanctioned, Mr.Pinto will be asked to refund the halting allowance already drawn by him for the first ten days.

3. The Board learns from the Collector of Madras that while the compensation claimed in this case amounted to Rs.30,000,the sum --- decreed by the Court was only Rs.6000 in round numbers,though to --this has to be added the interest (about Rs.300) charged on the ex--cess awarded to the claimant.The Government has thus been saved|- the payment of some Rs.20,000 which might have been demanded had - the claimant won his case throughout.The successful defence of the

suit was, the Board believes, very largely due to Mr. Pinto's exertions in assisting the lawyer retained by Government.

MEMORANDUM.

Dated Madras, 16th February 1897.

Endorsement from the Revenue Department
Mis. No 245, dated 16th January 1897.

Retransferred to the Revenue Department with the remark that as Mr Pinto is not now attached to the Public Works Department, his claim should be considered in the Civil Department but it appears that the grant of deputation allowance is inadmissible as the case seems to be merely one of a Government Servant attending Court as a witness, for which provision is made in article 1244 of the Civil Service Regulations.

The Hon: Mr. Crone, C. I. E.

FOR ORDERS.

In G.O.No.1291 Mis.,Revenue, dated 30th March 1896, Mr. Pinto, then General Duty Deputy Collector, South Canara was directed to proceed to Madras to give evidence in a Land Compensation case relating to the Madras-Tinnore Railway settled by him in March 1895 when he was on special duty for the acquisition of lands for that Railway. The claimant in this case appealed against the Deputy Collector's award, and demanded Rs.30,000 more than the amount of the compensation adjudged to him by the Deputy Collector. The evidence of the Deputy Collector was required on behalf of Government, and the Government Solicitor thought that Mr.Pinto should not be examined before the claimant closed his case which lasted till about the 27th August 1896. The Deputy Collector

was examined on the 1st and 2nd September, ~~and~~ on the 7th idem furnished certain information required by the Government Solicitor, and on the evening of the same day left Madras to join his division in South Canara.

Though the order quoted at the beginning of the note directed the Deputy Collector to proceed to Madras merely for the purpose of giving evidence, Mr. Pinto states that he had actually to instruct the Government Solicitor, watch the case during its progress, and collect information to demolish the claimant's evidence. As the Deputy Collector had to leave his station, and had to pay house-rent and carriage hire and maintain an extra establishment at Madras, he requests that under article 98 of the Civil Service Regulations a deputation allowance may be granted to him for the period(11th July to 7th September 1896, both days inclusive) of his stay at Madras in connection with the suit. The Board recommends the Deputy Collector's claim, especially in view of the facts that while the compensation claimed by the plaintiff amounted to Rs.20,950, the sum decreed by the Court was only Rs.6,000 in round numbers and that the success ful defence of the suit was very largely due to Mr.Pinto's exertions in assisting the lawyer retained by Government.

The Accountant-General certifies that if Mr. Pinto be held by Govt. to have been on special duty during the period of his stay at Madras in connection with the case, he can be granted under article 98 of the Civil Service Regulations deputation allowance not exceeding one-fifth of his pay for the period.

With G.O.,No.245 His., Revenue, dated 16th January 1897, the papers were transferred to the Public Works Department for disposal. That Department now retransfers the papers with the remark that as Mr. Pinto is not now attached to the Public Works Department, his claim should be considered in the Civil Department. At the same time the Public Works Department states that Mr. Pinto's claim

appears inadmissible, as it considers the case to be merely one of a Government servant attending Court as a witness, for which provision is made in article 134 of the Civil Service Regulations. It is submitted that the case under consideration is not affected by the provisions ~~that~~ of that article, inasmuch, as has already been stated above, the Deputy Collector had not only to give evidence, but had actually to instruct the lawyer retained by Government, watch the progress of the suit and collect information for demolishing the plaintiff's claim.

Orders are requested.
