Proceedings of the Board of Revenue

Dated 25th February 1897.

READ Endorsement of Government, No. 829 Mis dated 11th February 1897.

Resolution

The Board begs to report, in reply to the reference read above, that it considers that pensioned Native Commissioned Officers should make useful Kitchen Superintendents, paymasters and in some cases, be suitable for employment as Circle Inspectors, and it would suggest that lists of the men available should be furnished to the Collectors of the affected districts as soon as possible. In the Deccan

Deccan districts, men with a knowledge of Telugu, and in Ganjam, if such are available, those acquainted with Uriya also, will be required.

2. In Bellary, the Collector has reported that he has great difficulty in finding suitable paymasters and has had to appoint village officers to the work, which is a course the Board has been unable to approve. In Ganjam, the Collector states that he has great difficulty in ~~Seeing~~ Securing suitable men for Circle Inspectors and the Board anticipates that similar difficulties will shortly be experienced in the Deccan districts.

3. The Board would also suggest that a reference be made to the Public Works Department as to whether pensioned non-Commissioned officers would not be suitable for employment as Sub-Maistries, and head Maistries on relief works. Such men, especially if they have been Sappers, should prove valuable in such posts.
