Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 4th January 1897.

No. 24 Mis.

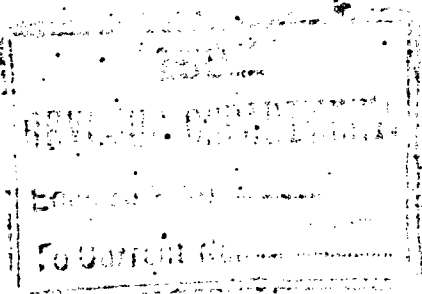

Read the Special fortnightly returns for the period ending 26th December 1896 from the Collector of Bellary, dated 30th December 1896 Disposal No 4922.

Resolution

Submitted for the information of Government.

2. An explanation is required as to the presence of so large a number of A class labourers (professionals or wooders) on the works in Alur and Bellary.

So far as the Commissioner observed in his recent inspections there

there were scarcely any such labourers on the works.

Similarly the large number of 6 class labourers on the Hala-harvi - Moka road should be explained and it should be stated what the profession of the persons not accustomed to manual labour is.
