ResolutionRecorded

2 The Board begs to enquire, with reference to para 2 of G.O. No. 133 Finance dated 8th February 1897, whether the dictum therein laid down is intended to supersede the powers and discretion conferred on the Member of the Board in charge of this Department by Section 23 of the Famine Code. The Board presumes that the intention of Government was only to place the

the Collectors under the orders of Government,
in the matter of obtaining financial
grants, which is very much the position
hitherto obtaining.

3. It also requests that it may be
informed in reference to para 10 of the
same order, whether Collectors are to
address Government direct in financial
matters, or whether through the Board,
and whether in either case such commu-
nications are to be sent direct to the
Financial Department of Government.
