D. O. No. 17

Revenue Board Office,
(Land Revenue),
MADRAS,

16 February 1897.

My dear Sir

In continuation of my letters of January 7 and of the 8 instant regarding the posting of Forest officers I am now directed to submit for His Excellency's approval revised proposals.

2-5 In my D.O. of the 8 instant it was suggested that Batchelor should come from Nellore to Chingleput as soon as relieved by Jackson. The Forest Member has since, in consultation with the collector of Nellore, and the Conservator, Central Circle, decided to recommend the retention of Batchelor as District Forest Officer, Nellore, and Hayne's place in Chingleput can then be taken by Jackson. It is true that the district of Nellore is more important, from a forest point of view, than Chingleput, and for this reason it was at first proposed that Batchelor should remain there only until the arrival from home of Jackson who is his senior by several years. But Meyer

Meyer has now written to strongly deprecate the contemplated change of officers during the introduction of the new mica rules. He adds that Batchelor is doing very well in his present post, and as the Forest Officer has no objection to the retention of Batchelor in Nellore, the Forest Member wishes to recommend it for His Excellency's approval.

3. I am therefore to submit the accompanying minute of postings. The Accountant General has intimated that it is not necessary for Hayne to retain a lien on his present, or on any other, district during his furlough, as the Forest service is a graded one, and the posting to any district charge is merely an incident of administration. Jackson may therefore be posted as permanent District Forest Officer, Chingleput, from the date of Hayne's departure. For the short intervening period, Jackson who reported his arrival yesterday, may do duty in Chingleput.

4. This minute of postings is intended to take the place of those submitted with my letter of January 7 and of the 8th instant, on which it

it is understood that no orders have as yet been passed.

Yours sincerely

Rees

B.O. No. 17

From the Board's Secretary

Dated 16th Feb^y 1897.

H.E. the Governor

FOR ORDERS.

Enc to
Hms

The Board submits a revised minute of postings of certain Forest Officers in consequence of Mr Brougham's retirement and the grant of two years' furlough to Mr Hays.

The present minute is to supersede the minutes submitted by the Board's Secy with his B.O. dt 7th Jan^y 1897 and 8th Feb^y 1897. Mr Carr also explains why it has been found necessary to modify the original proposals.

It is submitted that these postings do not in any way affect the ^{arrangement} ~~proposals~~ for permanent promotions in consequence of Mr Brougham's retirement and that there is ~~therefore no objection to H.E.'s~~

approval

if H.E. approves the Board's proposals,

My dear Davidson

My dear Brewster -
I am just telephoning
in answer to yours today
(a) nothing known about
Jackson -
(b) that Batchelor is in
Nakoe & Meyer want to
keep him there.

Keep him
My wife's letter
has only received yesterday
& creates fresh complications,
so the Forest members wish
his recommendations of
Batchelor for Chief Agent to

be held in abeyance if a few days until he has had time to consult the Conservator.

Jackson's name appears as permanent DFO Vizag. It was thought that the postings submitted with my letter to Stuart of Jan. 7. last would be gazetted before his return to D.F. on the 10th inst. As no notification has yet been issued, Jackson may have gone direct to Vizag and the Forest members has written to the Officers there to warn them that he may

turn up - But the Forest members, the Conservator & the Collector all wish to keep Cox in Vizag - so it is to be hoped that Jackson will not go there direct.

My letter to Sir about promotions went

off this morning.

The only posting which the Forest members wish to keep back for a day or two is that of Jackson to Nellore & Batchelor to Chingleput. It is practically one arrangement as the only change would be Jackson to Chingleput & Batchelor to Nellore.

Yours sincerely
P. H. H. H.

I have just returned to you
Mr. Alwar Chetty's Memorial,
as the Secy. says that the
Board's proposal for filling up
Mr. Brougham's vacancy was
received by him yesterday
and sent on to you direct.

The question whether it will
be possible to transfer an
"Imperial" appointment to
"Provincial" cannot be easily
answered. A note on the
subject will be prepared and
submitted to H.E. in a
few days.

for a few days. A.D. St.
Cris. D.O. of 14 February

Revenue Board Office,

MADRAS,

My dear Sir

Mr. Mayne's application for 2 years' furlough was submitted to Government with B. P. No. 96, dated 29 ultimo and it is necessary to submit for His Excellency's approval the name of an officer to take his place in the Chingleput District. Mr. Mayne has asked for his furlough from March 1st and by that time Mr. Batchelor, who is now acting as District Forest Officer, Nellore, should have been relieved by Mr. Jackson. The nomination of the last named officer for the permanent post of District Forest Officer, Nellore, was submitted with my d.o. of January 7th but the appointment has not yet been gazetted. Assuming that those proposals have been accepted, I am now to submit the name of Mr. Batchelor for the post of Acting District Forest Officer, Chingleput.

I am to point out that neither my letter of January 7th above alluded to, nor the present proposal affect in any way the proposals for

for permanent promotions in Mr Brougham's vacancy.
This matter is being submitted for His Excellency's orders
in a separate ~~cover~~ letter.

A minute of posting is appended.

Yours sincerely
