Proceedings of the Board of Revenue (Land Revenue)

No. 501 Misc., dated 8th February 1897.

Read letter from W.H. Welsh, Esquire, Collector of South Canara,
to the Secretary to the Commissioners of Land Revenue, Madras,
Ref. on C.No. 2560/ver of 1896, dated 20th November 1896.

Resolution

The Board considers that the enclosure
of land, in which Hakkal cultivation is carried on, should be
regarded as evidencing an intention of permanent occupation
amounting to a constructive darkhast.

2. Similarly when land has been levelled, or prepared
in the ordinary way for rice cultivation, the occupation
should be treated as a constructive darkhast. Cultivation of
this kind cannot be regarded as "hakkal" and it must be ass-
essed at the ordinary rates, but the usual Hakkal rate should
be charged on the cultivation of kumari or hill rice under
the ordinary "hakkal" conditions.

3. Rule 17 of the Special darkhast rules for the South
Canara district will accordingly be amended as follows :-

After the word rule at the end of the first sub para of
Rule 17 add "cultivation on land walled-in or enclosed-or on land
levelled and prepared in the ordinary way for the cultivation of
paddy-cannot be treated as hakkal."
