SUBJECT.

Recording with remarks
the Bellary collector's
letter explaining certain
discrepancies noticed
in his special fortnight
return for the period
ending 28th November
1896.

note

With reference to the Secretary's pencil note
within, it is submitted that as a rule the classifi-
cation of relief workers must depend on what
their previous occupation was. The Board's
ruling appears therefore to be correct.

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture).

Dated 4th January 1897.
No. 23. Mis.

READ following letter from the collector
of Bellary, dated 29th December
1896 Disposal No 4909:—

Referring to the Proceedings
of the Board of Revenue No
6641 Mis. dated 10th December
1896, I have the honor to
state that the large
number of relief workers
in A class is due to labourers
having been at first classed
as A and by the end of the
month reduced to class
B and to the labourers on
the Adoni-Sungupparaoa

2. G.O. 5336
24-12-97

wor

work having been erroneously shown in B. class in form L by the Tahsildar.

Resolution.

Recorded.

2. The classification of relief workers under Section 96 of the Code, follows the ordinary employment of the labourers, so that errors of classification should not ^{ordinarily} occur, except in a few isolated cases and these should be corrected under the provisions of Section 97.
