Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture).

Dated 1st January 1897.
No. 9 Meis.

READ following letter from the Collector of
Bilharj, dated 27th December 1896 Ref.
on G + B No. 1852 :-

Referring to para 5 of the Proceedings
of the Board of Revenue No 437
dated 16th December 1896, I have the
honor to apply for an allotment of Rs
20,000 towards the cost of gratuitous
relief to be afforded in the form of
Cooked food at Kitchens in addition
to the sum of Rs 3000 already
sanctioned for Adom Kitchen. My
estimate is based on the assumption
that on an average a number equal
to 10 per cent of the number of coolies
(20,000) viz 2,000 will resort to Kitchens
for 5 months. This may be taken
to include the number attending
the

the Kitchens attached to works as well as those that may be opened in villages under Section 65. The average cost including the establishment is rightly taken to be one anna per diem for each inmate.

2. As regards the application for the amount required for loans, stringent orders are being issued to Tahsildars and Divisional Officers to induce the ryots to avail themselves of the advantages of the loans to the utmost. A supplemental application for funds will be made as soon as the allotment already applied for begins to run out.

Resolution

Submitted to Government, in continuation of the Proceedings quoted, with the request that the necessary allotment of funds to meet charges for gratuitous relief may be made.

2. The formation of relief circles for the distribution of food cannot safely be longer delayed, though at first the Kitchens on works will answer most of the requirements; but

but the appointment of Village Circle Inspector is urgently called for and in this connection the favour of a reply to Board's Proceedings No 4427-16-12-96 is requested.
