It was ordered that repayment should be made in seven instalments commencing from 1st November 1889. Default was made in the repayment of the 4th and 5th instalments and the Cattle belonging to the defaulter and his land Survey No. 166 B pledged to Government were proceeded against and their sale fetched Rs 14-4-0 and Rs 80 respectively. Subsequent instalments also fell in arrears meanwhile, his other lands and a house were sold. There was no bid for the lands and the sale fetched Rs 13. The defaulter has no other property by the sale of which the balance still due to Government can be made good.

The explanation of the village officers is that owing to continued adverse season and the poverty of the ryots, the value of the lands has suffered depreciation. I therefore beg that the Rs 200 amount as irrecoverable.

Proceedings of the Board of Revenue
Revenue Settlement, Land Records and Agriculture
Dated 20 " February 1897. No: 1312 Mis:

Read statement showing the amount ^x and principal and interest recommended to be written off the accounts as irrecoverable under the Loans Act submitted by the Collector of Madura, ~~data~~ dated 10" February 1897 R. on C. No: 2580/Gl. of '96

Resolution

Submitted for the orders of Government.

2. A loan of Rs 250 was granted under the ordinary rules in 1888 to one Karuppa Kounden of Appippalayam village, ^{Madura district,} Palni Taluk, for deepening a well on the security of a plot of land measuring 9.64 acres assessed at Rs 12-1-0. Default having ~~been~~ been made in the repayment of the 4" and 5" instalments, the land pledged as security and the cattle belonging to the borrower were proceeded against and sold for Rs 94-4-0. As in the meanwhile the subsequent instalments also fell in arrear, his other lands and a house were ordered to be sold with the result that there was no bid for the former and that Rs 15 were realized by the sale of the latter. There remains a balance of Rs 95-12-0 under 'principal' and Rs 18-7-0 under ² interest or Rs 114-3-0 in all and it is stated that there is no means of realizing this amount.

3. The Collector reports that the Tahsildar, who sanctioned the loan is dead, that the Revenue Inspector, who recommended it relied on the statements of the village officers and the owners of the adjacent lands and that the village officers explain that the low value realized was due to continued ~~and~~ adverse season and the poverty of the ryots.

4. In these circumstances, the Board supports the Collector's recommendation that the amount viz, Rs 114-3-0 may be ordered
