The facts state as follows:-

There is no water in tanks & wells in Parlakimedi taluk. The peths have dug wells in certain tanks and use the water they can obtain by this means. It is difficult to ~~at~~ procure paddy or any other grain. There is no rain and the peths are suffering intensely. But for the relief which Govt. affords them they would have already perished or would have abandoned the taluk in a body. Some time ago the Principal Asst. Comm of Ganjam witnessed the misery of the peths and helped them with gifts of rice &c. The Raja of Parlakimedi feels no pity for the sufferings of the peths. He sued them in the Civil courts for arrears of assessment due to him and rigorously executes the decrees granted by the Courts against his poor subjects. The Raja's officers are oppressing the peths. They pray that the matter may be enquired into and that they may be protected from the above oppression.
