Proceedings of the Board of Revenue
(Land Revenue)

No.738 Misc.,dated 26th February 1897.

Read the following letter from H.A.Stuart,Esquire,acting Collector of Bellary,Ref.on G.& B.No.1785 of '96,dated 2nd February 1897,to the Secretary to the Commissioners of Land Revenue,Madras .

I have the honor to request that you will be good enough to obtain the sanction of Government for incurring an expenditure of Rs.40 for redemarcating the shrotriem of Appalapuram,Hospet Taluk,with reference to the Head Assistant Collector's decision of 1893.The ^{de}remarcations could not be undertaken pending the result of appeal preferred to the High Court by the Shrotriemdar (Vide B.P.No.5513 Misc., dated 12th December 1896).The proposed expenditure can be met from the general savings in the Land Revenue Budget for the current official year.

Resolution

Submitted for the sanction of Government.

2. The Title Deed issued by the Inam Commissioner at the time of enfranchisement of the village in question in 1870,recognised the title of the then holder to a "Personal inam consisting of the right to the Government revenue on the Hissa Shrotriem village of Appalapuram claimed to be 594.25 acres of dry and situated in the Taluk of Hospet." The area of the village according to the Paimash boundaries was,however,acres 863.49 and included Poramboke,village site & minor

inams; while the survey map prepared in 1886 included in the limits of the Shrotriem an excess area of 1083.88 acres consisting mostly of hills, which, it has now been decided, do not belong to the village. In 1889 the successors in interest of the grantees of the title deed having claimed the whole of the excess area measured in with the village at the Revenue Survey, the District Forest officer brought the matter to the notice of the Collector who ordered his Head Assistant to settle the boundaries of the shrotriem under the Boundary Marks Act 28 of 1860. At the enquiry subsequently held, the Head Assistant Collector fixed the boundaries of the shrotriem village with reference to the description given in the Paimash accounts and at the same time decided that under the title deed granted by the Inam Commissioner and by right of purchase the shrotriendar had no right to anything more than the Paimash fields measuring 594.25 acres which were specified in the title deed (Vide order dated 10th February 1893 submitted herewith). The Shrotriendar thereupon preferred an appeal to the Collector but was referred to the Civil Court. The original & appeal suits filed by him in the District Court ^{and} in the High Court, respectively, having also been decided in favor of Government, the Collector proposes to re-demarcate the limits of the shrotriem with reference to the Head Assistant Collector's order.
