Order thereon NO 3089 Misc, dated the 17th June 1897

The Board will be requested to report whether there is any special reason for the reservation of these small blocks.

2. The Collector remarks that the reservation of the Krishnapuram block will straighten the existing forest boundary. The block however contains some patta lands which will either have to be excluded together with a right of way there to or will have to be acquired at some cost. No reason whatever is given for the reservation of the Vadakarai Melpidagai block.
