The pati. states as follows:-

Ever since 1883 the pati. has been in the enjoyment of 2 acres and 45 cents of dry land in No. 162 C. in Pothampatti village and has been regularly paying assessment for the same. This has unjustly been entered as 2 acres & 30 cents in the patta. Besides other lands the pati. also owns 4 acres & 86 cents in No. 2 A. which has been wrongly entered as 3 acres & 6 cents in the patta. The village Karaman unjustly withholds the patta which should be granted to the pati. for certain lands in No. 126. Certain tamarind trees in the field to the west of No. 113 for which the pati. has for the last 3 years been paying a tax have recently been sold to another by auction. The pati. complains of this to the village officers who only to be insulted by them. On 11.3.97 the pati. complains of these to the Dy. Col. of Tirumangalam who asked him to apply to the Tahsildar who on a petition being presented to him refused to accept the same. The pati. applied to the Col. who referred him to the Dy. Col. He then petitioned the 2d class Magistrate of Silampatti who referred him to the Tahsildar. The Revenue Inspector then inspected the lands under dispute but failed to do the pati. justice. The pati. therefore prays that the records in his case may be sent for and examined, that the whole extent of land to which he has a right may be made over to him and the assessment unjustly collected from him be refunded.
