Boundaries:

Situation and boundaries.

No.

24 Two miles north-west of the town of Tindivanam.
North.—from the trijunction of Pampundi, Venmaniyattur and Patnam villages, the Patnam village boundary to Kamachikulam, thence survey No. 275 to the Patnam tank.
East.—The limit of the 5th kandum of Patnam village to the utuvuri (spring channel) at survey No. 157 of Patnam excluding the cultivation in survey No. 231, thence the utuvuri (spring channel) excluding the cultivation in survey Nos. 229 and 154 to the Patnam village limit at Trunk road No. 2 near 42½ mile-stone across the road, thence the public road to the water-spread of the Avrapakam tank, thence the sail water-spread to the western end of the tank-bund, thence cultivation in survey Nos. 27 and 25 and the pathway leading to Tindivanam, passing Tulkankulam, and cultivation in survey Nos. 5 and 4 to the Gidanzal village boundary.
South.—Gidanzal village boundary to the trijunction with Pelakuppam.
West.—Limit of cultivation in Pelakuppam village below Kolatheri to the bund of the said tank, thence along the bund and pathway to Tirudankuttai, thence the same path to the public road across the public road, thence the limit of cultivation in survey No. 9 passing the kulam in survey No. 10, then the limits of cultivation in survey Nos. 2 and 4 to the Venmaniyattur village boundary, the latter village boundary to survey No. 117, thence the western limit of 5th kandum of Venmaniyattur village to point first named excluding the patta cultivation east of Panditankuttai and west of Kmachikulam.

25 *North*.—From field No. 567 of Saram village, the 13th kandum limit to the tank bund, the water-spread of the Periyeri to the railway at the Iluppai tope (survey No. 580), cross the railway, the Aiyankulam, the old ditch and fence of Saram Government tope to the Madras road.
East.—The Madras road to Komatti kuttai near the 71st milestone and then Government tope fencing
South.—The Government tope fencing to Murukam kuttai and patta cultivation in survey Nos. 238 and 235 to the railway, cross the railway, patta cultivation in survey Nos. 600, 599, 597, and 593 to the village boundary with Satanur.
West.—The Saram village boundary to field No. 576, cultivation in that number, and Nos. 575, 573 to the 14th kandum limit, that limit to the last point named for northern boundary.

167 *North*.—Starting from the north-east corner of survey No. 43, the line runs east to the second offset along the south side of survey No. 28; then east by north to its south-east corner; then north-east to survey No. 125; then east to the south-east corner of survey No. 124; then north-east to the south-east corner of survey No. 135; then east to a cairn about two chains due west of the south-west corner of survey No. 136; then east to the south-east corner of survey No. 137; then north-east to the south-east corner of survey No. 138; then south to the south-east corner of survey No. 147; then north-east to a cairn on the south side of about a chain south-west of its south-west corner.
East.—Thence south to the north-west corner of survey No. 149 about a chain south to the north-west corner of survey No. 191.
South.—Thence along the north side of survey No. 206 to its north-west corner; then west to the north-west corner of survey No. 214; then west-south-west to the north-west corner of survey No. 221; then north to the north-east corner of survey No. 115; then north-west to the northernmost angle of survey No. 103; then on a furlong north of the north-east corner of survey No. 108; then west to a cairn three chains west of the corner of survey No. 45.
West.—Thence north to the third offset stone on the east side of survey No. 43 about five chains south of its north-east corner and then north along its east side to the starting point.
Notes.—Right of way over the cart-track from Olakur to Vainavaram for men, cattle and carts to a well of runs west by north. It enters the reserve about two chains west of the north-west corner of survey No. 206, No. 103 about six and a-half chains west of the north-east corner of survey No. 108. It again enters the reserve south of the cairn about two chains west of the north-east corner of survey No. 116, runs north-west for about one and three-quarter furlongs and finally crosses the reserve at the north-east corner of survey No. 128, all of Olakur.
N.B.—All the survey numbers mentioned above are of Olakur village.

163 *North*.—Starting from the south-east corner of survey No. 92 of Elipangudi, the line runs east to the south-east corner of survey No. 116 to the south-west corner of survey No. 201; then east to the south-east corner of survey No. 208, 209 and 210 to a cairn on the east side of the last mentioned field about three chains south-west of its north-east corner; then east to a cairn on the west side of survey No. 245 about seven chains north-west of its south-west corner and then its west side to its south-west corner, all of Elamangalam.
East.—Thence the west side of survey No. 26, west and south sides of survey No. 43 to a cairn on its south side about five chains east of its south-west corner; then south to the south-west corner of survey No. 48; then south-east to a cairn on the west side of the Tivanur-Wandiwar public road about five chains south of the south-east corner of survey No. 62, all of Akkur and then south along the said side of the road to the north-west corner of survey No. 174 of Tivanur.
South.—Thence north-west to a cairn about a furlong south-south-west of the south-east corner of survey No. 3 of Tivanur; then north to its north-east corner; then north-west for about three chains to a cairn; then east for about a chain to a cairn; then north for about two chains to a cairn; then west for about two chains to a cairn; then north-west to the north-east corner of survey No. 15; then its north side and of survey Nos. 14 and 12 to a cairn on the north side of the latter about eighty yards west of its north-east corner; then west to the north-west corner of survey No. 6; then south to a cairn about two and a half chains west of the south-west corner of survey No. 7 and then west to the south-east corner of survey No. 38, all of Vilakkam.
West.—Thence in a straight line north to the starting point of the north boundary.

Periyakurichi

North.—Starting from a demarcation post and cairn on the boundary to its junction with Periyakurichi and Terkumalur villages. *East*.—Thence the west boundary of Terkumalur village to the north-west corner of Periyakurichi first khandam; thence the west limits of the first and third khandam and the south limit of third and second khandams of Periyakurichi to its junction with Suppalanattam, Paruvattipparam villages; thence the latter village south boundary to a cairn due north of the angle on the west side of Suppalanattam, survey No. 1, where that side from the south turns west; then to the said corner; thence the west side of that number and Nos. 2 and 12 of Suppalanattam to the south-west corner of the last-mentioned field. *South*.—Thence the north limits of third and second khandams of the Suppalanattam village and of the thirteenth khandam of Periyakurichi village to the south-east corner of its survey No. 498. *West*.—Thence a line north-east to the north-east corner of survey No. 497; thence to the north-east corner of survey No. 495; then the east side of survey No. 492 to the south-east corner of the ninth khandam; thence the east limits of the ninth and eighth khandam to the north-east corner of survey No. 279; thence north to the south-east corner of survey No. 155; thence the east limit of fifth khandam, all of Periyakurichi village, to the starting point.

Sivuvattur

North.—Starting from a cairn about quarter furlong line south-east to the south-west corner of survey No. 76; then its south side to its south-east corner; then a straight line east for about one hundred and thirty-five yards to a cairn on the south-east corner of the burning ground; then north-east to the south-east corner of survey No. 73; then its east side to its north-east corner; then south-east to the south-east corner of survey No. 72 to its south-east corner; then a straight line north-east to the south-east corner of survey No. 43; then to the south-east corner of survey No. 41; then a straight line east for about one hundred and thirty yards to a cairn; then north to the south-west corner of survey No. 26; then its south side and of survey Nos. 25 and 24 to the south-east corner of the last-mentioned field; then its east side to its north-east corner; then on to the north-east corner of survey No. 23; then its north side to the south-east corner of survey No. 19; then its east side to the south-west corner of survey No. 17; then its south side to its south-east corner, all of Sivuvattur village. *East, South and West*.—Thence along the tank bund of Sivuvattur Periya Eri to the starting point of the north boundary.

Vidibachalam

Tanks

North.—Starting from the village boundary stone at line goes east to khandam station at the south-east corner of survey No. 43 of Vidibachalam, the east to khandam station at the south-east corner of survey No. 42; then a straight line north-north-east corner of survey No. 435; and then the south limit of the 7th khandam to its junction with the 8th khandam, all of Vidibachalam. *East and South*.—Thence the Vidibachalam tank bund to a cairn below the junction between Alachkad, the Elamangalam and Vidibachalam; then west the Vidibachalam village boundary for one station and on to the Elamangalam village boundary at the south-east corner of its survey No. 24. *West*.—Thence north to the south-east corner of survey No. 22; then its east side and of survey No. 21 to the north-east corner of the latter; then north-east to the south-east corner of survey No. 1; then its east side to its north-east corner, all of Elamangalam; and then north-east along the Manhalur village boundary to the starting point of the north boundary.

Stenograph

5

1500.—The waterspread of that tool—

waste in survey No. 167 to the point first noted

Sattannur, on to the village boundary stone; then westward along that boundary to the south-east corner of No. 203 of Sattannur.

West.—Thence along the east sides of Nos. 203 and 202 to the south-west corner of No. 176; then along the south sides of Nos. 176, 175, 174, 173, 172, 171 and 170, and the east sides of Nos. 170 and 168 to the north-east corner of the last field; then the south and east sides of No. 162, the east side of No. 160, the south sides of Nos. 153 and 158, and the east side of No. 158 to its north-east corner; then a straight line north-east for about two and a half chains to cairn No. 2; then north-west to the north-east corner of No. 157; then its north side to the south-east corner of No. 135; then along the east sides of that number and of Nos. 101 and 100 (all of Sattannur), to the starting point of the northern boundary.

North.—From Khandam station at the south-west corner of survey No. 1101 of Pullypur, the south limit of the 32nd Khandam of that village up to the south-east corner of survey No. 1107.

East.—From the above point the west limit of the 21st Khandam up to the north-east corner of survey No. 898.

South.—From the last-named point, the north limit of the 20th Khandam up to the north-east corner of survey No. 886; then the north side of that field up to south-east corner of survey No. 929.

West.—From that point, the east limit of the 53rd Khandam up to the south-east corner of survey No. 1072; then the east side of that field to the point at which the northern boundary begins. The boundaries are marked throughout by stones planted by the Survey Department and by trenches and trees planted thereon by the Forest Department.

Chammatt
Kupobam

Saltanur
2033i

North.—Starting from (coin No. 1) where the path from Orathur joins the Kuthi-Juppani-Kelkumpundi path, a straight line eastward to the kandam station about one hundred yards south-east of south-east corner of survey No. 357 of Saltanur village; thence slightly south of east along the south limit of Saltanur 10th Kandam to the Papampattu village northern boundary.

East.—Thence southward a straight line to the north-east corner of survey No. 355; thence along the north side of that field and the west side of survey No. 349 to the north-east corner of survey No. 358, all or Papampattu.

South.—Thence along the north sides of Papampattu survey Nos. 358 and 360 and the west side of the latter to the Orathur northern boundary; thence westwards along that boundary to its junction with Yundur and Saltanur.

West.—Thence a demarcated straight line north-eastwards to the starting point of the northern boundary.

Panchalam
2033i

23

North.—The south sides of survey Nos. 186 and 185 from where the Patanam-Nelkoppai path crosses the former to the eastern end of the latter; thence a straight line to the eastern turning of the west side (coin No. 1) of survey No. 203; corner; thence a straight line to the southern turning of the south side of survey No. 203; second to its south-east corner.

East.—From the last-named point along the South Indian Railway line to the Salwadi village, northern boundary.

South.—Thence along the northern boundaries of Salwadi and Raghunath westwards to the eastern boundary of Patanam.

West.—Thence northwards, along the eastern boundaries of Patanam and Yural to the Patanam-Nelkoppai path and along it to whence the northern boundary starts.

Karanai

North.—Starting from the south-west corner of survey No. 339 of Adanur village eastwards and north-eastwards along the south side of that field and the southern boundary of Kundalappallyur village to the north-west corner of survey No. 29 of Kasha Karanai village.
East.—From the last point southwards along the west side of survey No. 29 to the north-east corner of survey No. 30; then the west side of survey No. 30 to its south-east corner; then the west side of survey No. 29, the west and south sides of survey No. 30 to its south-east corner; then the west side of survey No. 32, to the south-east corner of the last field; then the western limits of the 2nd and 4th kandhams to the south-west corner of survey No. 100, all of Kasha Karanai village; thence south a straight line to the boundary stone on the Adanur eastern boundary about a chain and a half west of Mallanattadai kur'ai (pond).
South.—From the last point westwards along the said eastern boundary of Adanur to the north-east corner of its survey No. 428.
West.—Thence along the same village boundary to the north-east corner of its survey No. 419; thence a straight line northwards to the south-east corner of survey No. 37 of Kasha Karanai; thence the east, north and west sides of that field to the north-east corner of survey No. 342; then the north sides of the said field and No. 346 to the north-west corner of the latter; then the east, north and west sides of survey No. 347 to the north-east corner of No. 356; then the north side of that field to the south-east corner of No. 357; then the east and north-east sides of survey No. 357 and the east and north sides of survey No. 358 to its north-west corner; thence the eastern limits of the 8th and 9th kandhams, all of Adanur village, to the starting point.

58

Vikhravandi

North.—Starting from the south-west corner of survey No. 49 the line goes east along the south side of that field to the south-east corner of survey No. 49 again; then that side as well as the west, south and east sides of that field to the south side of survey No. 49; thence the south and east sides of survey No. 44 to its north-east corner; thence along the east limit of its survey Nos. 81, 83 and 82 to the north-west corner of its survey No. 84; then along the south side of that field to its north-east corner; then the south and east sides of survey No. 81; then the west, south and east sides of that field to its north-east corner; then the south and east sides of survey No. 82 to the south-west corner of that field; thence south-east along the west side of No. 79 to the north-west corner of No. 74, both of Salai Vikhravandi; then along its west side to the north-west corner of Vikhravandi survey No. 37; thence along the west and south limits of its 1st kandam to the Avadaiyapattu northern boundary.
South.—Thence west along the said village boundary to the next station; then a straight line westward to cairn No. 1 on the eastern boundary of Vikhravandi survey No. 638 about 4 chains south of its north-east corner.
West.—Thence northwards along the east limit of the 11th and east and north limits of the 13th kandams of Vikhravandi to the south-east corner of survey No. 51 of that village (893 miles on Cumbacoan-Madras trunk road); thence northwards along the eastern margin of the said field No. 51 to the starting point.

54

Valudaraddi

North.—The south side of the north bund of Valudaraddi Periya Yeri (tank) from where it touches the east side of survey No. 327 of Valudaraddi (cairn No. 1) to cairn No. 2 on the bund due south of the south-east corner of survey No. 355 of the same village.
East.—Thence a straight line due south for six hundred and thirty-five feet to cairn No. 3 at a point one thousand one hundred and sixty-eight feet due west of the eastern bund of the said tank; thence a straight line south for two thousand three hundred and twenty-five feet to cairn No. 4 on the section bund between Periya Yeri and Sitteri (lunks), one hundred and sixty-five feet west of the centre of the main east bund; thence again south for one thousand five hundred and twenty-six feet to cairn No. 5 on the northern side of the south bund of Sitteri tank eighty-five feet west of the centre of the main eastern bund.
South.—Thence westwards a straight line along the north side of the said south bund of Sitteri to an offset stone south of the north-east corner of survey No. 294 of Valudaraddi.
West.—Thence along the eastern limit of Valudaraddi 6th kandam to the starting point.

Mambakkam.

North.—Starting from a khandam station at the south-west corner of survey No. 185 of Arunkurukkal along its south side to its south-east corner; then a straight line east to the south-east corner of survey No. 387, and then a straight line in the same direction both of Arunkurukkal.

East.—Thence along the western boundary of Nattamur block No. 76 to a cairn about three chains east of the north-east corner of survey No. 5 of Mambakkam; then a straight line to that corner; then the north side of survey No. 5 for about six chains to a cairn; then due north for about the same distance to a cairn; then due west for about a furlong to a cairn; then north-west to the north-east corner of survey No. 188 O; then its north side to its north-west corner; then south-west to the north-west corner of survey No. 12; then south by west to the north-west corner of survey No. 14; then its west side to its south-west corner; then the west limit of khandam No. 1 to a khandam station at the south-east corner of survey No. 22, and then a straight line south-west to the south-east corner of survey No. 179, all of Mambakkam.

South.—Thence a straight line north to a cairn on the west side of survey No. 178, about a furlong north of the north-east corner of survey No. 183; then west-north-west to the north-west corner of survey No. 188 J, and then a straight line south-west to the village boundary stone, about eight chains north-east of the northern-most corner of survey No. 187, all of Mambakkam.

West.—Thence along the eastern boundary of Nattamur to the south-west corner of survey No. 188 K; then its south and east sides to a cairn on the south side of survey No. 260, about two chains east of its south-west corner; then the south and east sides of survey No. 260 to its north-east corner, and then a straight line north by west to the starting point of the north boundary.

North.—Starting from a khandam station at the south-west corner of survey No. 185 of Arunkurukkal along its south side to its south-east corner; then a straight line east to the south-east corner of survey No. 387, and then a straight line in the same direction both of Arunkurukkal.

East.—Thence along the western boundary of Nattamur block No. 76 to a cairn about three chains east of the north-east corner of survey No. 5 of Mambakkam; then a straight line to that corner; then the north side of survey No. 5 for about six chains to a cairn; then due north for about the same distance to a cairn; then due west for about a furlong to a cairn; then north-west to the north-east corner of survey No. 188 O; then its north side to its north-west corner; then south-west to the north-west corner of survey No. 12; then south by west to the north-west corner of survey No. 14; then its west side to its south-west corner; then the west limit of khandam No. 1 to a khandam station at the south-east corner of survey No. 22, and then a straight line south-west to the south-east corner of survey No. 179, all of Mambakkam.

South.—Thence a straight line north to a cairn on the west side of survey No. 178, about a furlong north of the north-east corner of survey No. 183; then west-north-west to the north-west corner of survey No. 188 J, and then a straight line south-west to the village boundary stone, about eight chains north-east of the northern-most corner of survey No. 187, all of Mambakkam.

West.—Thence along the eastern boundary of Nattamur to the south-west corner of survey No. 188 K; then its south and east sides to a cairn on the south side of survey No. 260, about two chains east of its south-west corner; then the south and east sides of survey No. 260 to its north-east corner, and then a straight line north by west to the starting point of the north boundary.

Tiruvannamalai.

Periya eri tank, the line goes along the southern limit of 8th and 6th khandams of the same village to the western margin of Tiruvannamalai-Ulundurpet road.

East.—Thence along the said road excluding the Ayyanar temple situated west of survey No. 158 of Tiruvannamalai village to the left bank of the irrigation channel at the 26th milestone.

South.—Thence along the left bank of the channel to a cairn a little south of the southernmost point of survey No. 242 of Saravannampakkam village; then on to that corner; thence along the northern limit of 4th khandam to the boundary stone in the north-west corner of survey No. 237 of Saravannampakkam village.

West.—Thence along the eastern boundary of Periyasevalai village to the starting point.

North.—Starting from a village boundary stone of Tiruvannamalai village, south of its survey No. 609, and situated on the supply channel to the western margin of Tiruvannamalai-Ulundurpet road.

East.—Thence along the said road excluding the Ayyanar temple situated west of survey No. 158 of Tiruvannamalai village to the left bank of the irrigation channel at the 26th milestone.

South.—Thence along the left bank of the channel to a cairn a little south of the southernmost point of survey No. 242 of Saravannampakkam village; then on to that corner; thence along the northern limit of 4th khandam to the boundary stone in the north-west corner of survey No. 237 of Saravannampakkam village.

West.—Thence along the eastern boundary of Periyasevalai village to the starting point.

Elandurai.

on the north side of Tirukkoiyilur-Purudi road near the south-west corner of survey No. 329 of Elandurai village, the line runs south-east along the road for about a furlong to a demarcation post and cairn; thence north-north-east to a demarcation post and cairn about two chains west of the south-west corner of survey No. 326; thence on to that corner; thence its south side to its south-east corner; thence the east side of survey No. 326 and 325 to south side of survey No. 323; then that side and the west side of survey No. 309 and 310, south side of survey No. 310, to the south-west corner of survey No. 311; thence its south side to the north-west corner of survey No. 314; thence its west side to its south-west corner; thence along the west side of survey No. 320 for six chains to a demarcation post and cairn; thence east to the south-west corner of survey No. 317; thence its south side to its south-east corner; thence north to the south-east corner of survey No. 315; thence its east and north sides to where the latter side meets the east side of survey No. 313; thence its east side to its north-east corner; thence to the north-east corner of survey No. 312; thence its north side and that of survey No. 311 to a point where the latter side meets the east side of survey No. 310; thence its east side to its north-east corner; thence north for one chain to a demarcation post and cairn; thence a straight line east to a khandam station on the south side of survey No. 292 (also the north end of Sitteri tank), all of Elandurai village.

East.—Thence south along the west limit of the bund to khandam station on the north side of survey No. 341; thence west-north-west to the north-west corner of survey No. 470; thence the east, north and west sides of survey No. 471 to its south-west corner; thence the north and west sides of survey No. 472 to its south-west corner, all of Elandurai village.

South.—Thence the Oldanandal village north boundary to its junction with Elandurai and Kolattur villages. Thence the Kolattur village east boundary to a demarcation post and cairn about three chains south of the south-west corner of survey No. 481; thence east to a demarcation post and cairn on the east side of survey No. 483, about three chains south-east of the south-east corner of survey No. 476; thence on to that corner; thence north to the south-east corner of survey No. 477; thence its east side to its north-east corner; thence north to the starting point, all of Elandurai village.

North.—Starting from a demarcation post and cairn near the south-west corner of survey No. 329 of Elandurai village, the line runs south-east along the road for about a furlong to a demarcation post and cairn; thence north-north-east to a demarcation post and cairn about two chains west of the south-west corner of survey No. 326; thence on to that corner; thence its south side to its south-east corner; thence the east side of survey No. 326 and 325 to south side of survey No. 323; then that side and the west side of survey No. 309 and 310, south side of survey No. 310, to the south-west corner of survey No. 311; thence its south side to the north-west corner of survey No. 314; thence its west side to its south-west corner; thence along the west side of survey No. 320 for six chains to a demarcation post and cairn; thence east to the south-west corner of survey No. 317; thence its south side to its south-east corner; thence north to the south-east corner of survey No. 315; thence its east and north sides to where the latter side meets the east side of survey No. 313; thence its east side to its north-east corner; thence to the north-east corner of survey No. 312; thence its north side and that of survey No. 311 to a point where the latter side meets the east side of survey No. 310; thence its east side to its north-east corner; thence north for one chain to a demarcation post and cairn; thence a straight line east to a khandam station on the south side of survey No. 292 (also the north end of Sitteri tank), all of Elandurai village.

East.—Thence south along the west limit of the bund to khandam station on the north side of survey No. 341; thence west-north-west to the north-west corner of survey No. 470; thence the east, north and west sides of survey No. 471 to its south-west corner; thence the north and west sides of survey No. 472 to its south-west corner, all of Elandurai village.

South.—Thence the Kolattur village east boundary to a demarcation post and cairn about three chains south of the south-west corner of survey No. 481; thence east to a demarcation post and cairn on the east side of survey No. 483, about three chains south-east of the south-east corner of survey No. 476; thence on to that corner; thence north to the south-east corner of survey No. 477; thence its east side to its north-east corner; thence north to the starting point, all of Elandurai village.

the
trij
the

North.—Starting from a khandam station about two chains south-east of the north-east corner of survey No. 666 of Palayamkottai Melpadi, a straight line north-east to the south-west corner of survey No. 306; then a straight line east by north to a khandam station at the south-east corner east by north to a khandam station on the west side of survey No. 297 and then a straight line north-east to a khandam station on the west side of survey No. 284, all of Palayamkottai Melpadi.

East.—Thence a straight line south-east to a cairn on the west side of survey No. 253 about two chains north of its south-west corner; then its west side, west and south sides of survey No. 263; then south along the village boundary of Palayamkottai Melpadi to a demarcation post and cairn due east of the north-east corner of survey No. 855; then on to that corner; then the north side of that corner to its north-west corner; then a straight line to the north-west corner of survey No. 866; then a straight line to the south-east corner of survey No. 849; then a straight line to its boundary of Palayamkottai Melpadi to the south-east corner of survey No. 844; then its north and west sides, west No. 817; then a straight line to the north-east corner of survey No. 862 to its south-east corner; then the west side of survey No. 866; then its south side for one chain; then a straight line south to the south-west corner of survey No. 864; then a straight line south-west to a cairn on the west side of survey No. 288 to its south-west corner; then its south side for one chain; then a straight line south to the south-west corner of survey No. 865; then the south side of survey No. 866 for about five chains, all of Palayamkottai Melpadi, to a cairn, and then a straight line south to a village boundary stone on the north side of survey No. 315 of Koodasamudram.

South.—Thence a straight line to a village boundary stone about seventeen chains west of the north-west corner of survey No. 315 of Koodasamudram; then along the Tichinopoly district boundary to the north-east corner of survey No. 839; and then a straight line west to a cairn about one and a half chains east of the south-east corner of survey No. 826, all of Palayamkottai Melpadi.

West.—Thence a straight line to the north-east corner of survey No. 826; then to the south-east corner of survey No. 823; and then the east sides of survey Nos. 823 and 822 to a cairn due east of the north-east corner of survey No. 821; then a straight line east to the south-west corner of survey No. 840; then the south sides of survey Nos. 840 and 841, south and east sides of survey No. 842; east side of survey No. 813 to its north-east corner; then a straight line north-east to the south-east corner of survey No. 687; and then the east sides of survey Nos. 687, 688, 689 and 690 to the starting point of the north boundary.

North.—Starting from khandam stone at the south-east corner of survey No. 473 of Tittampattu along its south side to a cairn on its south side about half a chain south of the point where that side of the khandam stone on the west side of the second time; then its west side to its south-east corner of survey No. 411 about half a chain south-west of the south-east corner of survey No. 411 to a khandam stone at its south-east corner; then its west and south sides of survey No. 410 to its south-west corner; then a straight line south to a cairn on Kolai village boundary about a chain south-west of the south-west corner of survey No. 408, all of Tittampattu; then south-east to the south-west corner of survey No. 194 of Kolai; then north-east to the south-east corner of survey No. 188; then north along the east side of survey No. 188 to a cairn about half a chain east of the south-east corner of survey No. 150; then east along the south limits of khandam No. 3 for about eleven chains to a cairn; then a straight line north to the north-east corner of survey No. 149; then its north side to its north-west corner; then west to a cairn about one and a half chains north of the north-west corner of survey No. 149; then north along the east boundary of Tittampattu to a village boundary stone at the south-west corner of survey No. 143; then its south side to its south-west corner; then east to a cairn on the west side of survey No. 147 about a chain south of its north-west corner; then its west and south sides to its south-east corner; then east to the south-west corner of survey No. 108; then its south side to its south-east corner; then north-east to the north-west corner of survey No. 90; then its west and south sides to a point where the latter side meets the west side of survey No. 88; then its west and south sides, south sides of survey Nos. 80 and 79 to a village boundary stone about five chains east of the south-east corner of survey No. 79, all of Kolai.

East.—Thence south a straight line excluding survey No. 601 to the south-west corner of survey No. 524, both of Palayamkottai Melpadi.

South.—Thence west to a cairn on the west side of survey No. 528 of Palayamkottai Melpadi about five chains east of the south-east corner of survey No. 172 of Kolai; then the east side of survey No. 527 to its north-east corner; then north-west to a cairn about two chains south of the south-east corner of survey No. 170 of Kolai on the east side of survey No. 171; then north along the east boundary of Kolai to the north-east corner of survey No. 170; then west to the north-west corner of survey No. 159; then south-west to a khandam stone at the north-west corner of survey No. 158; then its west side for about three chains to a cairn; then west to a khandam stone at the south-east corner of survey No. 210; then along the north limit of sixth khandam to a cairn about a chain north of the south-west corner of survey No. 201; then west to the north-west corner of survey No. 202, and then west to a cairn about half a chain south of the south-east corner of survey No. 263, all of Kolai.

West.—Thence north to the south-east corner of survey No. 268 of Kolai; then its east side to its north-east corner; then east and north sides of survey No. 492 to a cairn on its north side about two chains west of its north-east corner; then north-east, west to the north-east corner of survey No. 492, and then north-east, west to the north-east corner of its north-east corner.

m. Bakhan

Nisingah

North.—From the trijunction of Torani, Vakkur and Kappiyampuliyur villages, the line runs south-east and eastwards along the west and south sides of survey No. 611 of Vakkur (Vakur tank) to the north-west corner of survey No. 399; then south-eastwards along the western limits of the 11th and 12th khandams to the north-west corner of survey No. 546, all of Vakkur.

East.—Thence south-west a straight line crossing the Pambaiyur to khandam station at the north-west corner of survey No. 249 of Vakkur; then along the western limit of its 6th khandam to station at the south-west corner of its survey No. 251.

South.—Thence westwards along the last-named khandam boundary to station at the north-east corner of No. 364; then along the eastern, northern and western limits of the 9th khandam to station at the north-east corner of No. 319; then along the northern limit of the 8th khandam to station at the north-west corner of survey No. 340, all of Vakkur village; then a straight line due west to post and cairn on the east side of survey No. 322 of Kappiyampuliyur about five chains north of its south-east corner.

West.—Thence northwards along the eastern limits of survey Nos. 322, 321 and 320, to the north-east corner of the last mentioned field; then a straight line northwards to the north-east corner of survey No. 319; then westwards along the north side of survey No. 319 to its north-west corner; and then a straight line westwards to the south-east corner of survey No. 66; then along the east side of that field to the south-west corner of No. 314; then the south and east sides of that field and the south sides of survey Nos. 65 and 64, all of Kappiyampuliyur village, to the eastern boundary of that village at the south-east corner of Sonda yeri (tank); then northwards along that village boundary to the starting point of the northern boundary.

North.—From the western end of the east side of survey No. 100, a straight line eastward to the south-west corner of survey No. 83, both of Sattanur; then along its south side on to the eastern margin of the South Indian Railway line; then northward along that line to the south-west corner of No. 452; then its south side to its south-east corner; then a straight line to the north-west corner of survey No. 448, all of Vikkiravandi.

East.—Thence along the west side of survey No. 448 to its south-west corner; then the north and west sides of No. 445 and the west and south sides of No. 427 to the south-east corner of the latter, then along the southern limit of the 8th khandam to the south-east corner of No. 431, all of Vikkiravandi, and on to the Trichinopoly-Madras trunk road; then along that road southwards to the north side of No. 2 of Sattanur; then the north and west sides of that number to the Pappanpattu northern boundary.

South.—Thence westward along the said village boundary to the north-west corner of No. 27; then a straight line to the north-east corner of No. 30, both of Pappanpattu; then along the north side of the latter field to its southern end then a straight line to the south-east corner of No. 2, and along its east and

Vakur

Sattanur

North.—Starting from the north-west corner of survey No. 335 of Valavanar, the line runs along the north and east sides of the said number to its north-east corner; thence along the north, east and north sides of survey No. 266 to the south-east corner of survey No. 267; thence along the south-west corner of survey No. 272; thence along its south side to its south-east corner of survey No. 273; thence along its south side and the west side of survey No. 280 to the south-east corner of the last mentioned field; thence a straight line east for seventy-seven yards to cairn No. 1; thence a straight line north to the south-east corner of survey No. 281; thence along the east side of the said number and survey No. 287; thence along its east side to the south-east corner of survey No. 288; thence along the south and east sides of the said number and survey No. 291; thence along its east side to the south-east corner of survey No. 292; thence along its east side and the south side of survey No. 321, 324 and 326 to the south-west corner of survey No. 321; thence along the south side of survey Nos. 321, 324 and 326 to the south-west corner of the last mentioned field; thence along the west side of survey No. 327, all of Gungampalayam, to a point where it turns south.

East.—Thence along the west sides of survey Nos. 327 and 328 and the south side of the latter to the north-west corner of survey No. 317; thence along survey No. 318; thence along its west side to the north-east corner of survey No. 316, and the north and west sides of survey No. 317, the west side of survey No. 316, and the north and west sides of survey No. 312 to its south-west corner; thence a straight line west for ninety-nine yards to cairn No. 2; thence south for fifty-five yards to cairn No. 3; thence west for one hundred and thirty-two yards to cairn No. 4 at the west side of the Mullipallam channel; thence along the south side of the channel to the north-west corner of survey No. 302; thence along the north side of survey No. 301 and the north and west sides of survey No. 300 to its south-west corner; thence along the north side of survey Nos. 300, 301 and 302 to the left bank of a stream near the south-west corner of survey No. 304; thence south for twenty-nine chains to cairn No. 5 at the low level contour line of Toppapallam tangle; thence west to the south-east corner of survey No. 514; thence along the east side of that field to its north-east corner; thence east for five chains to cairn No. 6; thence north-north-east for eleven chains to cairn No. 7; thence west-north-west for seven and a half chains to cairn No. 8; thence south-north-east for eighty yards to cairn No. 9; thence along the said bank to a point opposite to the south-west corner of survey No. 523; thence along the south bank of the Kilar channel to the north bank of Kallodai stream at a path to Kattu Alayamkottai. No. 539; thence along the north side of survey No. 350 and the west sides of survey Nos. 550, 551 and 552, all of Gungampalayam, to the north bank of Kallodai stream at a path to Kattu Alayamkottai.

South.—Thence along the said path to cairn No. 11 at the south-east corner of the land excluded for Kattu Alayamkottai; thence along its east side to its north-east corner, cairn No. 12; thence along its north side to its north-west corner, cairn No. 13; thence along its west side to its south-west corner, cairn No. 14, on the north side of the Chinna Sellangal odai stream; thence across the odai to its south bank; thence along the said bank to cairn No. 15, three chains west of the north-west corner of survey No. 661 of Valavanar. *West*.—Thence a straight line north across survey Nos. 665, 665 and 633 to a point on the west side of the latter where it turns north-north-east, on the east bank of the Chinna Sellangal channel; thence along the said bank to cairn No. 16, seven and a half chains due north of that field, the east side of survey No. 619, and the south and east sides of survey No. 612 to the south-west corner of survey No. 611; thence along its south side to its south-east corner; thence a straight line east to the South Indian Railway fence; thence across the said fence to the south side of survey No. 319; thence along its east and north sides of survey No. 345, the east sides of survey Nos. 342, 311, 340, 340, 335 and 335, all of Valavanar village, to the starting point of the north boundary.

Perichanur

North.—Starting from the north-east corner of survey No. 53 of Sattiyakandam, the line runs along the south bank of the supply channel of Perichanur Sitteri (tank) to where it crosses the west side of survey No. 172 of Perichanur; thence along the west and south sides of that field to its south-east corner; thence a straight line east to where the south side of survey No. 171 (from the east) turns north; thence along the south side of survey No. 174; thence along the north side of survey No. 176 to its north-west corner; thence a straight line west for six chains to cairn No. 1; thence a straight line southwards to the north-west corner of survey No. 177; thence along the west and south sides of that field to its south-east corner; thence a straight line east for ten chains to cairn No. 2; thence a straight line northwards to the south-east corner of survey No. 178; thence along the south side of survey No. 173 to the south bank of the surplus channel of Periya Yeri; thence along the said bank of the channel to the west side of survey No. 269; thence along the north, west and south sides of that field to its north-east corner; thence a straight line to the south-east corner of survey No. 262; thence along the south and east sides of that field to the kandam stone at the south-west corner of survey No. 269; thence along the north, west and south sides of that field to its north-east corner; thence a straight line to the south-east corner of survey No. 33, all of Perichanur village.

East.—From the last point a straight line west for twenty-two chains to cairn No. 3; thence a straight line to the north-west corner of survey No. 270; thence along its west side to its south-west corner; thence a straight line to the south-east corner of survey No. 268 (inside the forest); thence a straight line to the north-west corner of survey No. 292; thence along the west side of that field to its south-west corner; thence along the north, west and south sides of survey No. 233 to the north-west corner of survey No. 284; thence along the west side of that field and the west and south sides of survey No. 285, all of Perichanur, to the north-west corner of survey No. 67 of Mugaiyur; thence along the west side of that field to its south-west corner.

South.—From the last point along the north and west boundaries of Ayandur to the north-east corner of the fifth kandam of Mugaiyur; thence along the north side of that kandam to the north-east corner of survey No. 221; thence a straight line to the south-east corner of survey No. 69; thence a straight line to the south-west corner of survey No. 68; thence along the south and east sides of that field to its north-east corner; thence a straight line to the south-east corner of survey No. 63; thence along the east and north sides of that field to its north-west corner; thence a straight line to the north-east corner of survey No. 219; thence along the north and west sides of that field to the north-east corner of survey No. 218; thence along the north sides of the fifth and fourth kandams to the north-east corner of survey No. 172; thence a straight line to the south-west corner of survey No. 61; thence along the south and east sides of that field to the south side of survey No. 62; thence along the north side of that field to its north-west corner; thence a straight line to the north-east corner of survey No. 61; thence along the south, east, north and west sides of survey Nos. 59 and 68 to the northernmost corner of the latter; thence a straight line to the north-east corner of survey No. 57; thence along the east, north and west sides of that field to the north-east corner of survey No. 56; thence along its north side to its north-west corner; thence a straight line to the north-east corner of survey No. 55; thence along the north and west sides of that field to the north-east corner of survey No. 54; thence along the north side of that field to its north-west corner; thence a straight line to the south-east corner of survey No. 49, all of Mugaiyur village.

West.—From the last mentioned point along the east and north sides of survey No. 43 to the south-east corner of survey No. 50; thence along the east side of that field to its north-east corner; thence along the south, east and north sides of survey No. 53 to the north-east corner of survey No. 62; thence along the north side of that field, all of Mugaiyur village, to the south-east corner of survey No. 101 of Sattiyakandam village; thence a straight line north-east to the boundary stone immediately to the north of the Mugaiyur-Sattiyakandam-Perichanur trifunction; thence along the Sattiyakandam east boundary to the starting point of the north boundary.

Brief description.

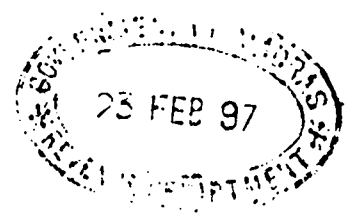

Minor forests and pasture lands.

Reasons for disafforestation.

Disafforestation recommended in accordance with the principles of the present forest policy and order of Government.

MARCH.

Disafforestation.

The draft notification for the — of certain forests in the South Arcot district, approved and ordered to be published in the Fort St. George and South Arcot District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again G.O., No. 740, Revenue, dated 22nd December 1896.

ABSTRACT.—Ordering publication in the Fort St. George and South Arcot District Gazettes of two draft notifications (one relating to the cancellation of previous notifications proposing to constitute certain blocks under section 4 of the Madras Forest Act and the other relating to the proposed constitution as reserved forests under section 4 of the same Act of certain other six blocks), and ordering also that the draft notification for the disafforestation of certain blocks be forwarded to the Government of India.

READ—again letter from the Secretary to the Government of Madras, Revenue Department, dated 22nd December 1896, No. 741.

ABSTRACT.—Requesting the sanction of the Government of India for the publication of a notification directing the disafforestation of twenty-seven reserved forests in the South Arcot district.

READ—also the following letter from F. G. SLY, Esq., C.S., Under Secretary to the Government of India, Department of Revenue and Agriculture (Forests), to the Secretary to the Government of Madras, Revenue Department, dated Calcutta, the 19th February 1897, No. 211—16-8-F. :—

In reply to your letter No. 741, dated the 22nd December 1896, I am directed to convey the sanction of the Government of India, under section 24 of the Madras Forest Act (V of 1882), to the exclusion from reserved forests in the South Arcot district of the lands specified in the draft notification (returned) appended to your letter.

ORDER—No. 134, Revenue, dated 2nd March 1897.

Forest No. 41.

The draft notification will be published in the Fort St. George and South Arcot District Gazettes, the 1st April

1897 being entered as the date from which disafforestation shall take effect.

(True Extract.)

(Signed) G. STOKES,
Ag. Secretary to Government.

To the Board of Revenue (Land Revenue).
„ the Superintendent, Government Press, with notification.

Endorsement No. 134A.

Copy to the Government of India, Revenue and Agricultural Department.

(Signed) G. STOKES,
Ag. Secretary to Government.

NOTIFICATION.

His Excellency the Governor in Council, with the previous sanction of His Excellency the Governor-General in Council, is hereby pleased to declare, under the provisions of section 24 of the Madras Forest Act (V of 1882), that the areas specified below, which, in the notifications mentioned against them, were declared to be reserved forests under section 16 of that Act, shall cease to be reserved with effect from the 1st April 1897.

SPECIFICATION OF RESERVED FORESTS DISAFFORESTED.

No.	Name of reserved forest disafforested.	District.	Taluk or taluks.	Village or villages.	Area in acres.	Number and date of the notification declaring the area reserved, and the Fort St. George Gazette in which the notification was published and page.
24	Venmaniyattur ..	South Arcot.	Tindivanam.	Venmaniyattur, Pelakuppam, Pattanam and Avarapakkam.	486	No. 32, dated 30th January 1889, Fort St. George Gazette, dated 5th February 1889, Part I, pages 81-82. <i>North.</i> —From the trijunction of Pampundi, Venmaniyattur and Pattanam villages, the Pattanam village boundary to Kamachikulam; thence survey No. 275 to the Pattanam tank. <i>East.</i> —The limit of the 5th khandam of Pattanam village to the uttuvari (spring channel) at survey No. 157 of Pattanam excluding the cultivation in survey No. 231; thence the uttuvari (spring channel) excluding the cultivation in survey Nos. 229 and 154 to the Pattanam village limit at trunk road No. 2 near 42½ mile stone across the road; thence the public road to the waterspread of the Avarapakkam tank; thence the said waterspread to the western end of the tank-bund; thence cultivation in survey Nos. 27 and 25 and the pathway leading to Tindivanam passing Tulukankulam, and cultivation in survey Nos. 5 and 4 to the Gidangal village boundary. <i>South.</i> —Gidangal village boundary to the trijunction with Pelakuppam. <i>West.</i> —Limit of cultivation in Pelakuppam village below Kolatheri to the bund of the said tank; thence along the bund and pathway to Tiradaakuttai; thence the same path to the public road across the public road; thence the limit of cultivation in survey No. 9 passing the kulam in survey No. 10; then the limits of cultivation in survey Nos. 2 and 4 to the Venmaniyattur village boundary, the latter village boundary to survey No. 117; thence the western limit of 5th khandam of Venmaniyattur village to point first named excluding the patta cultivation east of Panditankuttai and west of Kamachikulam.
28	Saram ..	South Arcot.	Tindivanam.	Saram ..	243	No. 411, dated 16th December 1887, published in Fort St. George Gazette, dated 20th December 1887, Part I, page 994. <i>North.</i> —From field No. 567 of Saram village, the 13th khandam limit to the tank-bund, the waterspread of the Periyeri to the railway at the iluppal tope (survey No. 680), cross the railway, the Aiyankolam, the old ditch and fence of Saram Government tope to the Madras road. <i>East.</i> —The Madras road to Komatti kuttai near the 71st milestone and then Government tope fencing. <i>South.</i> —The Government tope fencing to Murukam kuttai and patta cultivation in survey Nos. 238 and 235 to the railway, cross the railway, patta cultivation in survey Nos. 600, 599, 597 and 593 to the village boundary with Sathanur. <i>West.</i> —The Saram village boundary to field No. 575, cultivation in that number and Nos. 575, 573 to the 14th khandam limit, that limit to the first point named for northern boundary.
167	Olakkur ..	South Arcot.	Tindivanam.	Olakkur ..	400	No. 98, dated 26th February 1896, Fort St. George Gazette, dated 5th March 1896, Part I, page 219. <i>North.</i> —Starting from the north-east corner of survey No. 43, the line runs east to the second offset stone on the south side of survey No. 26; then east by north to its south-east corner; then north-east to the south-east corner of survey No. 128 and on to a point on its east side where it turns north for the second time from the south; then north to a cairn about two chains due west of the south-west corner of survey No. 125; then east to the south-east corner of survey No. 124; then north-east to the south-east corner of survey No. 135; then east to a cairn about two chains east of the south-east corner of survey No. 136; then north by east to the south-east corner of survey No. 147; then north-east to a cairn on the south side of survey No. 152 about two chains east of the khandam stone on the east side of survey No. 149 about a chain south of its north-east corner, and then east-south-east to a khandam stone on the south side of survey No. 191 about a chain south-east of its south-west corner. <i>East.</i> —Thence south to the north-west corner of survey No. 285. <i>South.</i> —Thence along the north side of survey No. 206 to its north-west corner; then west to the north-west corner of survey No. 214; then west-south-west to the north-west corner of survey No. 221; then north to the north-east corner of survey No. 216; then north-west to the northernmost angle of survey No. 103; then on to the north-east corner of survey No. 115; then north-west to a cairn about two chains north of the north-west corner of survey No. 115; then south to the third offset stone on the west side of survey No. 107, one-third of a furlong north of the north-east corner of survey No. 108; then west to a cairn three chains west of the north-west corner of survey No. 113; then south-west to the first offset stone on the north side of survey No. 52, six chains west of the north-west corner of survey No. 112; and then west by south to the north-east corner of survey No. 45. <i>West.</i> —Thence north to the third offset stone on the east side of survey No. 43 about five chains south of its north-east corner and then north along its east side to the starting point.

N.B.—All the survey numbers mentioned above are of Olakkur village.

No.	Name of reserved forest disafforested.	District.	Taluk or talaks.	Village or villages.	Area in acres	Number and date of the notification declaring the area reserved, and the <i>Fort St. George Gazette</i> in which the notification was published and page.
163	Vilukham ..	South Arcot.	Tindivanam.	Vilukham, Elamangalam and Divanur.	334	No. 99, dated 26th February 1855. <i>Fort St. George Gazette</i> , dated 5th March 1855, Part I, page 219-220.
	<i>North.</i>—Starting from the south-east corner of survey No. 92 of Elamangalam, the line runs east to the south-east corner of survey No. 115; then its east side and that of survey No. 116 to the south-west corner of survey No. 201; then east to the south-east corner of survey No. 206; then its east side and the east sides of survey Nos. 208, 209 and 210 to a cairn on the east side of the last-mentioned field about three chains south-south-west of its north-east corner; then east to a cairn on the west side of survey No. 245 about seven chains north-west of its south-west corner and then its west side to its south-west corner, all of Elamangalam. <i>East.</i>—Thence the west side of survey No. 26, west and south sides of survey No. 43 to a cairn on its south side about five chains east of its south-west corner; then south to the south-east corner of survey No. 48; then south-east to a cairn on the west side of the Tivanar-Wandiwash public road about five chains south of the south-east corner of survey No. 62, all of Akkur, and then south along the said side of the road to the north-west corner of survey No. 174 of Tivanur. <i>South.</i>—Thence north-west to a cairn about a furlong south-south-west of the south-east corner of survey No. 3 of Tivanur; then north to its north-east corner; then north-west for about three chains to a cairn; then east for about a chain to a cairn; then north for about two chains to a cairn; then west for about two chains to a cairn; then north-west to the north-east corner of survey No. 15; then its north side and of survey Nos. 14 and 12 to a cairn on the north side of the latter about eighty yards west of its north-east corner; then west to the north-west corner of survey No. 6; then south to a cairn about two and a half chains west of the south-west corner of survey No. 7 and then west to the south-east corner of survey No. 36, all of Vilukham. <i>West.</i>—Thence in a straight line north to the starting point of the north boundary.					
63	Karanai ..	South Arcot.	Villupuram.	Kaaba Karanai ..	129	No. 431, dated 22nd September 1890, <i>Fort St. George Gazette</i> , dated 30th September 1890, Part I, page 756.
	<i>North.</i>—Starting from the south-west corner of survey No. 339 of Adanur village eastwards and north-eastwards along the south side of that field and the southern boundary of Kundalapuliur village to the north-west corner of survey No. 29 of Kaaba Karanai village. <i>East.</i>—From the last point southwards along the west side of survey No. 29 to the north-east corner of survey No. 30; thence along the north, west and south sides of survey No. 30 to its south-east corner; then the west side of survey No. 29, the west and south sides of survey No. 31, and the south side of survey No. 32 to the south-east corner of the last field; then the western limits of the 2nd and 4th khandams to the south-west corner of survey No. 100, all of Kaaba Karanai village; thence south a straight line to the boundary stone on the Adanur eastern boundary about a chain and a half west of Mallanpattalai kuttai (pond). <i>South.</i>—From the last point westwards along the said eastern boundary of Adanur to the north-east corner of its survey No. 423. <i>West.</i>—Thence along the same village boundary to the north-east corner of its survey No. 419; thence a straight line northwards to the south-east corner of survey No. 37 of Kaaba Karanai; thence the east, north and west sides of that field to the north-east corner of survey No. 242; then the north sides of the said field and No. 346 to the north-west corner of the latter; then the east, north and west sides of survey No. 347 to the north-east corner of No. 356; then the north side of that field to the south-east corner of No. 367; then the east and north-east sides of survey No. 357 and the east and north sides of survey No. 358 to its north-west corner; thence the eastern limits of the 6th and 9th khandams, all of Adanur village, to the starting point.					
63	Vikkiravandi ..	South Arcot.	Villupuram.	Vikkiravandi and Salai Vikkiravandi.	256	No. 61, dated 12th February 1891. <i>Fort St. George Gazette</i> , dated 17th February 1891, Part I, page 101.
	<i>North.</i>—Starting from the south-west corner of Vikkiravandi, survey No. 49, the line goes east along the south sides of its survey Nos. 49 and 45 to the west of No. 47; then that and the south and east sides of that field to the south side of survey No. 49 again; then that side as well as the west, south and east sides of survey No. 45 to its north-east corner; then the south and east sides of its survey No. 44 to its north-east corner; thence along the east limit of Salai Vikkiravandi, 7th khandam to the south-west corner of its survey No. 84; then along the south sides of its survey Nos. 84, 83 and 82 to the north-west corner of No. 81; then the west, south and east sides of that field to its north-east corner; then the south and east sides of its survey No. 82 to the south-west corner of No. 79; then the south side of the last-named field for six chains. <i>East.</i>—Thence south-south-east along the west side of No. 79 to the north-west corner of No. 74, both of Salai Vikkiravandi; then along its west side to the north-west corner of Vikkiravandi, survey No. 37; thence along the west and south limits of its 1st khandam to the Avadayarpatu northern boundary. <i>South.</i>—Thence west along the said village boundary to the next station; then a straight line westward to cairn No. 1 on the eastern boundary of Vikkiravandi, survey No. 633, about four chains south of its north-east corner. <i>West.</i>—Thence northwards along the east limit of the 11th and east and north limits of the 13th khandams of Vikkiravandi to the south-east corner of survey No. 51 of that village (89½ mile on Kumbakonam-Madras trunk road); thence northwards along the eastern margin of the said field No. 51 to the starting point.					
64	Valudareddi ..	South Arcot.	Villupuram.	Valudareddi ..	260	No. 93, dated 6th March 1891. <i>Fort St. George Gazette</i> , dated 10th March 1891, Part I, page 168.
	<i>North.</i>—The south side of the north bund of Valudareddi Periya yeri (tank) from where it touches the east side of survey No. 247 of Valudareddi village. <i>East.</i>—Thence a straight line due south for six hundred and thirty-five feet to cairn No. 3 at a point one thousand one hundred and sixty-eight feet due west of the eastern bund of the said tank; thence a straight line south for two thousand three hundred and twenty-five feet to cairn No. 4 on the section bund between Periya yeri and Sitteri (tanks), one hundred and sixty-five feet west of the centre of the main east bund; thence again south for one thousand five hundred and twenty-six feet to cairn No. 5 on the northern side of the south bund of Sitteri tank eighty-five feet west of the centre of the main eastern bund. <i>South.</i>—Thence westwards a straight line along the north side of the said south bund of Sitteri to an offset stone south of the north-east corner of survey No. 294 of Valudareddi. <i>West.</i>—Thence along the eastern limit of Valudareddi, 6th khandam, to the starting point.					

No.	Name of reserved forest disafforested.	District.	Taluk or taluka.	Village or villages.	Area in acres.	Number and date of the notification declaring the area reserved, and the <i>Fort St. George Gazette</i> in which the notification was published and page.
140	Puvanikuppam ..	South Arcot.	Cuddalore.	Puvanikuppam and Adinarayanapuram.	550	No. 477, dated 25th September 1894. <i>Fort St. George Gazette</i> , dated 2nd October 1894, Part I, page 1183. <i>North</i> .—Starting from a cairn on the east margin of the public road from Cuddalore to Kundiamallore near the north-west corner of survey No. 684 M of Puvanikuppam, a straight line to the north-west corner of survey No. 684; then its north side to its north-east corner; then a straight line to a cairn on the west side of survey No. 604, about half a furlong south of its north-west corner, all of Puvanikuppam. <i>East</i> .—Thence south along the west limit of khandam No. 7 to the south-west corner of survey No. 602; then south-east to the north-west corner of survey No. 533; then its west side for three and a half chains; then due west for three chains; then south for five chains; then east for three chains to the west side of survey No. 533, about a chain north of its south-west corner; then its west side to that corner; then south to the north-west corner of survey No. 520; then west to the north-west corner of survey No. 602; then, north-west to the north-east corner of survey No. 836; then its north side to its north-west corner; then west for about half a chain to a cairn; then a straight line south to the south-west corner of survey No. 849; then its south side to the south-west corner of survey No. 819; then south-west to the north-west corner of survey No. 896 and then its west side to its southernmost point, all of Puvanikuppam. <i>South</i> .—Thence along the north and west limits of 6th khandam and the north limit of 7th khandam to the south-east corner of survey No. 559; then its east and north sides to its north-west corner, all of Adinarayanapuram; then a line due west to the east margin of the public road (also the Perumal tank bund) already mentioned. <i>West</i> .—Thence northwards along the said margin of the public road and the tank bund excluding survey Nos. 560, C, F, G, H, I and K of Adinarayanapuram and the burying and burning ground of Puvanikuppam to the starting point.
139	Ranganadapuram ..	South Arcot.	Cuddalore.	Kesavanarayanapuram, Edamkondanpattu, Akkatiannapuram and Ranganadapuram.	620	No. 45, dated 24th January 1895. <i>Fort St. George Gazette</i> , dated 22th January 1895, Part I, page 88. <i>North</i> .—Starting from a cairn about two chains north of the village boundary stone on the west side of survey No. 95 of Kesavanarayanapuram, the line runs east to the offset stone where survey Nos. 95 and 94 touch each other at the south-west corner of the latter; then its south side to its south-east corner; then its east side to its north-east corner; then west along its north side for two and a half chains to a cairn; then north to the south-east corner of survey No. 92; then its east side to its north-east corner, all of Kesavanarayanapuram; then due north for three chains to a cairn; then east to the south-west corner of survey No. 660 of Ranganadapuram; then south of that number to its south-east corner; then south along the west sides of survey Nos. 628 and 627, south side of the latter to its south-east corner; then due east to a cairn on the west side of survey No. 626, one and a half chains south of its north-west corner; then south-east to the south-west corner of survey No. 623; then east to the south-east corner of survey No. 624; then north-east to the south-east corner of survey No. 625; then north along the east sides of survey Nos. 625, 640 and 637 to the south-west corner of survey No. 612; then its south side to its south-east corner, all of Ranganadapuram; and then north-east to a point on the west bank of the Perumal yeri supply channel about three chains west of the north-west corner of survey No. 13 of Akkatiannapuram. <i>East</i> .—Thence south-south-east along the western bank of the above supply-channel up to its junction with the west side of survey No. 109 of Edamkondanpattu; then its west side to its south-west corner, and then along the west limit of the 11th khandam to the north-east corner of survey No. 998, both of Ranganadapuram. <i>South</i> .—Thence west along the north limit of khandam No. 9 to the khandam stone at the south-east corner of survey No. 591, both of Ranganadapuram. <i>West</i> .—Thence along the north limit of 9th khandam to its junction with the escape channel from Kottakara yeri; then north by west to the north-east corner of survey No. 578; thence its north side to its north-east corner; then north-west along the north limit of 7th khandam to the khandam station at the north-east corner of survey No. 433; then north-west to the north-east corner of survey No. 420; then on to the north-east corner of survey No. 417; then its north side to its north-west corner; then north along the east side of survey No. 300 to its north-east corner and then north to the starting point of the north boundary.
110	Emappur ..	South Arcot.	Tirukkoyilar.	Emappur and Siruvanur.	835	No. 141, dated 12th March 1894. <i>Fort St. George Gazette</i> , dated 20th March 1894, Part I, page 844, and No. 507, dated 9th October 1894, <i>Fort St. George Gazette</i> , dated 23rd October 1894, Part I, page 1256. <i>North</i> .—Starting from the khandam station at the south-west corner of survey No. 34 of Siruvanur along its south and east sides and the east limit of 1st khandam to its junction with the bund of Siruvanur eri (tank). <i>East</i> .—Thence south by east and south by west along the west sides of Siruvanur and Emappur tank bunds to a cairn about two chains north of the north-east corner of survey No. 390 of Emappur. <i>South</i> .—Thence west along the bund of Emappur tank to its junction with Malavarayanur village west boundary. <i>West</i> .—Thence along the west boundary of the said village up to the village boundary stone at the south-east corner of survey No. 64 of Siruvanur; then north to the north-east corner of survey No. 45 and then the east limit of 1st khandam, both of Siruvanur, to the starting point of the north boundary.
111	Mambakkam ..	South Arcot.	Tirukkoyilar.	Mambakkam and Arunkurukkal.	215	No. 171, dated 5th April 1894. <i>Fort St. George Gazette</i> , dated 10th April 1894, Part I, page 417. <i>North</i> .—Starting from a khandam station at the south-west corner of survey No. 365 of Arunkurukkal along its south side to its south-east corner; then a straight line east to the khandam station at the southernmost point of survey No. 367, and then a straight line in the same direction to a khandam station on the west side of survey No. 439, about a furlong north of its south-west corner, both of Arunkurukkal. <i>East</i> .—Thence along the western boundary of Nattamur block No. 76 to a cairn about three chains east of the north-east corner of survey No. 5 of Mambakkam; then a straight line to that corner; then the north side of survey No. 5 for about six chains to a cairn; then due north for about the same distance to a cairn; then due west for about a furlong to a cairn; then north-west to the north-east corner of survey No. 138 O; then its north side to its north-west corner; then south-west to the north-west corner of survey No. 12; then south by west to the north-west corner of survey No. 14; then its west side to its south-west corner; then the west limit of khandam No. 1 to a khandam station at the south-east corner of survey No. 22, and then a straight line south-west to the south-east corner of survey No. 179, all of Mambakkam.

No.	Name of reserved forest disafforested.	District.	Taluk or taluka.	Village or villages.	Area in acres.	Number and date of the notification declaring the area reserved, and the <i>Fort St. George Gazette</i> in which the notification was published and page.
112	Tiruvannanallur ..	South Arcot.	Tirukko-yilur.	Tiruvannanallur and Saravanapakkam.	220	No. 337, dated 5th July 1894. <i>Fort St. George Gazette</i> , dated 10th July 1894, Part I, page 840. South.—Thence a straight line north to a cairn on the west side of survey No. 178, about a furlong north of the north-east corner of survey No. 183; then west-north-west to the north-west corner of survey No. 188 J, and most corner of survey No. 187, all of Mambakkam. West.—Thence along the eastern boundary of Nattamur to the south-west corner of survey No. 188 K; then its south and east sides to a cairn on the south side of survey No. 260, about two chains east of its south-west corner; then the south and east sides of survey No. 260 to its north-east corner, and then a straight line north by west to the starting point of the north boundary. North.—Starting from a village boundary stone at the south-west corner of survey No. 423 of Vriddhachalam, the line goes east to khandam station at the south-east corner of survey No. 434; then a straight line north-east to khandam station at the south-east corner of survey No. 435; and then the south limit of the 7th khandam to its junction with the 8th khandam, all of Vriddhachalam. East and South.—Thence the Vriddhachalam tank bund to a cairn below the trijunction between Alachikudi, Elamangalam and Vriddhachalam; then west the Vriddhachalam village boundary for one station and on to the Elamangalam village boundary at the south-east corner of its survey No. 24. West.—Thence north to the south-east corner of survey No. 22; then its east side and of survey No. 21 to the north-east corner of the latter; then north-east to the south-east corner of survey No. 1; then its east side to its north-east corner, all of Elamangalam; and then north-east along the Manbalar village boundary to the starting point of the north boundary.
113	Elandurai ..	South Arcot.	Tirukko-yilur.	Elandurai ..	255	No. 353, dated 10th July 1894. <i>Fort St. George Gazette</i> , dated 17th July 1894, Part I, pages 863-84. North.—Starting from a demarcation post and cairn on the north side of Tirukko-yilur-Panruti road near the south-west corner of survey No. 323 of Elandurai village, the line runs south-east along the road for about a furlong to a demarcation post and cairn; thence north-north-east to a demarcation post and cairn about a chain west of the south-west corner of survey No. 326; thence on to that corner; thence its south side to its side and the west side of survey Nos. 309 and 810, south side of survey No. 311; then that survey No. 311; thence its south side to the north-west corner of survey No. 310 to the south-west corner of survey No. 311; thence along the west side of survey No. 310 for six chains to a demarcation post and cairn; thence east to the south-west corner of survey No. 317; thence its south side to its south-east corner; side meets the east side of survey No. 315; thence its east and north sides to where the latter east corner of survey No. 314; thence its east side to its north-east corner; thence to the north-west corner of survey No. 312; thence its north side and that of survey No. 311 to a point where the latter side to a demarcation post and cairn; thence a straight line east to a khandam station on the south side of survey No. 292 (also the north end of Sittori tank), all of Elandurai village. East.—Thence south along the west limit of the bund to khandam station on the north side of survey No. 341; thence west-north-west to the north-west corner of survey No. 470; thence the east, north and west sides of survey No. 471 to its south-west corner; thence the north and west sides of survey No. 472 to its south-west corner, all of Elandurai village. South.—Thence the Olamandil village north boundary to its trijunction with Elandurai and Kolattur villages. West.—Thence the Kolattur village east boundary to a demarcation post and cairn about three chains south of No. 493, about three chains south-east of the south-east corner of survey No. 476; thence on to that corner; thence north to the south-east corner of survey No. 477; thence its east side to its north-east corner; thence north to the starting point, all of Elandurai village.
115	Periyakurchi ..	South Arcot.	Vriddha-chalam.	Periyakurchi and Sepplanatham.	370	No. 431, dated 30th August 1894. <i>Fort St. George Gazette</i> , dated 4th September 1894, Part I, page 1040. North.—Starting from a demarcation post and cairn one chain north of the khandam stone on the east side of Periyakurchi village. East.—Thence the west boundary of Periyakurchi village to the north-west corner of Periyakurchi 1st khandam; thence the west limits of the 1st and 3rd khandams and the south limit of 3rd and 2nd khandams of Periyakurchi to its trijunction with Sepplanatham, Parvatipuram village; thence the latter village south boundary to a cairn due north of the angle on the west side of Sepplanatham, survey No. 1, where that side from the south turns west; then to the angle corner; thence the west side of that number and Nos. 2 and 12 of Sepplanatham to the south-west corner of the last-mentioned field. South.—Thence the north limits of 3rd and 2nd khandams of the Sepplanatham village and of the 13th khandam of Periyakurchi village to the south-east corner of its survey No. 498. West.—Thence a line north-east to the north-east corner of survey No. 497; thence to the north-east corner of survey No. 495; then the east side of survey No. 492 to the south-east corner of the 9th khandam; thence the east limits of the 9th and 8th khandams to the north-east corner of survey No. 279; thence north to the south-east corner of survey No. 155; thence the east limit of 5th khandam, all of Periyakurchi village, to the starting point.
118	Siruvattur ..	South Arcot.	Cuddalore.	Siruvattur ..	210	No. 130, dated 9th March 1894. <i>Fort St. George Gazette</i> , dated 13th March 1894, Part I, page 391. North.—Starting from a cairn about quarter furlong south-west of the south-east corner of survey No. 93, a straight line south-east to the south-west corner of survey No. 76; then its south side to its south-east corner; then a straight line east for about one hundred and thirty-five yards to a cairn on the south-east corner of the burning ground; then north-east to the south-east corner of survey No. 73; then its east side to its north-east corner; then south of survey No. 72 to its south-east corner; then a straight line north-east to the south-east corner of survey No. 43; then to the south-east corner of survey No. 41; then a straight line east for about one hundred and thirty yards to a cairn; then north to the south-west corner of survey No. 26; then its south side and of survey Nos. 25 and 24 to the south-east corner of the last-mentioned field; then

122	Vriddhachalam tank.	South Arcot.	Vriddha-chalam.	Vriddhachalam ..	192	No. 675, dated 21th November 1893. <i>Fort St. George Gazette</i> , dated 28th November 1893, Part I, page 1390. its east side to its north-east corner; then on to the north-east corner of survey No. 23; then its north side to the south-east corner of survey No. 19; then its east side to the south-west corner of survey No. 17; then its south side to its south-east corner, all of Siruvattur village. East, South and West.—Thence along the tank bund of Siruvattur Periya eri to the starting point of the north boundary.
147	Rampakkam ..	South Arcot.	Chidambaram.	Palaiyamkottai Mel-padi and Konda-samudram.	448	No. 201, dated 23rd April 1894. <i>Fort St. George Gazette</i> , dated 1st May 1894, Part I, page 501. North.—Starting from a khandam station about two chains south-east of the north-east corner of survey No. 665 of Palaiyamkottai Mel-padi, a straight line north-east to the south-west corner of survey No. 306; then a straight line east by north to a khandam station at the south-east corner of survey No. 297 and then a straight line north-east to a khandam station on the west side of survey No. 281, all of Palaiyamkottai Mel-padi. East.—Thence a straight line south-east to a cairn on the west side of survey No. 253, about two chains north of its south-west corner; then its west side, west and south sides of survey No. 263 to a village boundary stone on the south side of survey No. 263; then south along the village boundary of Palaiyamkottai Mel-padi to a demarcation post and cairn due east of the north-east corner of survey No. 855; then on to that corner; then the north side of that number to its north-west corner; then a straight line to the north-west corner of survey No. 856; then a straight line to the south-east corner of survey No. 849; then a straight line to its boundary of Palaiyamkottai Mel-padi to the south-east corner of survey No. 844; then its north and west sides, west side of survey No. 847; then a straight line to the north-east corner of survey No. 844; then its north and west sides, west side of survey No. 850 and west and south sides of survey No. 852 to its south-east corner; then the west side of survey No. 298 to its south-west corner; then its south side for one chain; then a straight line south to of survey No. 864; then a straight line south-west to a cairn on the west side of survey No. 865 about five chains north of the north-west corner of survey No. 868; then the west sides of survey Nos. 865 and 866 to the south-west corner of the latter; then the south side of survey No. 866 for about five chains, all of Palaiyamkottai Mel-padi, to a cairn, and then a straight line south to a village boundary stone on the north side of survey No. 315 of Kondasamudram. South.—Thence a straight line to a village boundary stone about seventeen chains west of the north-west corner of survey No. 315 of Kondasamudram; then along the Trichinopoly district boundary to the north-east corner of survey No. 839; and then a straight line west to a cairn about one and a half chains east of the south-east corner of survey No. 826, all of Palaiyamkottai Mel-padi. West.—Thence a straight line to the north-east corner of survey No. 826; then to the south-east corner of survey No. 823; then the east sides of survey Nos. 823 and 822 to a cairn due east of the north-east corner of survey No. 821; then a straight line east to the south-west corner of survey No. 840; then the south sides of survey Nos. 840 and 841, south and east sides of survey No. 842; east side of survey No. 843 to its north-east corner; then a straight line north-east to the south-east corner of survey No. 687; and then the east sides of survey Nos. 687, 688, 685 and 666 to the starting point of the north boundary.
148	Nisingan ..	South Arcot.	Chidambaram.	Tettampattu Kolai and Palaiyamkottai Mel-padi.	434	No. 244, dated 11th May 1894. <i>Fort St. George Gazette</i> , dated 22nd May 1894, Part I, page 590. North.—Starting from khandam stone at the south-west corner of survey No. 413 of Tettampattu along its south side to a cairn on its south side about half a chain south of the point where that side from the west turns east for the second time; then a straight line to the khandam stone on the west side of survey No. 412 where the said side from the north turns south for the second time; then its west side to its south-west corner; then south-east to a cairn on the west side of survey No. 411 about half a chain south-west of the southernmost angle of survey No. 412; then the west and south sides of survey No. 411 to a khandam stone at its south-east corner; then the west side of survey No. 410 to its south-west corner; then a straight line south to a cairn on Kolai village boundary about a chain south-west of the south-west corner of survey No. 406, all of Tettampattu; then south-west along the west boundary of Kolai about a chain south-west of the north-west corner of survey No. 194 of Kolai; then south-east to the south-west corner of survey No. 194; then its south side to its south-east corner; then north-east to the south-east corner of survey No. 188; then north along the east side of survey No. 188 to a cairn about half a chain east of the south-west corner of survey No. 150; then east along the south limits of khandam No. 3 for about eleven chains to a cairn; then a straight line north to the north-east corner of survey No. 149; then its north side to its north-west corner; then west to a cairn about one and a half chains north of the north-west corner of survey No. 150; then north along the east boundary of Tettampattu to a village boundary stone at the south-west corner of survey No. 147 about a chain south of its north-west corner; then east to a cairn on the west side of survey No. 147 about a chain south of its north-west corner; then its west and south sides to its south-east corner; then east to the south-west corner of survey No. 108; then its south side to its south-east corner; then north-east to a cairn about two chains south-west of the south-west corner of survey No. 98; then east to the north-west corner of survey No. 90; then its west and south sides to a point where the latter side meets the west side of survey No. 88; then its west and south sides, south sides of survey Nos. 80 and 79 to a village boundary stone about five chains east of the south-east corner of survey No. 79, all of Kolai.

No.	Name of reserved forest disafforested.	District.	Taluk or taluks.	Village or villages.	Area in acres.	Number and date of the notification declaring the area reserved and the <i>Fort St. George Gazette</i> in which the notification was published and page.
149	Kolakkudi	South Arcot.	Cuddalore and Chidambaram.	Kolakkudi and Talai-kulam vada, Chidambaram taluk; Arangamangalam and Maruvay, Cuddalore taluk.	599	No. 144, dated 12th March 1894, <i>Fort St. George Gazette</i> , dated 20th March 1894, Part I, page 348. <i>North</i> .—Starting from the Maruvay village boundary stone at the south-east corner of survey No. 143 of Maruvay, east and south-east along the south limit of 6th and 8th khandams of Arangamangalam to the Kalkunam village boundary. <i>East</i> .—Thence south along the west boundary of Kalkunam to its trijunction with Arangamangalam and Kolakkudi villages; then west to the village boundary stone near the north-west corner of survey No. 103; then along the west limit of 2nd khandam to the south-west corner of survey No. 72, all of Kolakkudi, and then on to the north bank of the minor irrigation channel from Walaja tank. <i>South</i> .—Thence west along the said bank of the same channel to the south-east corner of survey No. 387 of Talai-kulam; then along its east side and of survey No. 389 to the northernmost point of the latter; then south along the west side of survey Nos. 389 and 387 to the north bank of the minor irrigation channel; then west along the said bank of the same channel to a cairn south of the south-east corner of survey No. 401; then on to that corner; then along the east side of survey No. 404 to its north-east corner; then north-east for about eleven chains to a cairn about a chain east from the middle point of the easternmost portion of survey No. 405; then north-west for about twelve chains to a cairn about a chain north of the khandam station on the northernmost point of survey No. 406; then south-west to the north-west corner of survey No. 407; then to the north-east corner of survey No. 408 and then west to a cairn on the Kumbakonam-Madras trunk road, about half a chain north of the north-west corner of survey No. 408, all of Talai-kulam. <i>West</i> .—Thence north along the said trunk road to the village boundary stone at the north-east corner of survey No. 452 of Talai-kulam and at 17 1/2th mile on the trunk road; then north-east to the trijunction of Maruvay with Arangamangalam and Kolakkudi villages; then the south side of survey No. 404 of Arangamangalam to its south-east corner; then north-east to the easternmost point of survey No. 403; then along the east side of survey Nos. 402 and 401, east and north sides of survey No. 400 to its north-west corner, and then north along the east boundary of Maruvay to the starting point of the north boundary.
31	Athikuppam	South Arcot.	Tindivanam.	Urani	150	No. 415, dated 16th December 1887, <i>Fort St. George Gazette</i> , dated 20th December 1887, Part I, page 996-97. <i>North</i> .—From survey station at survey No. 106, the north limits of 6th khandam of Urani village above the Upperi to khandam stone at survey No. 226. <i>East</i> .—Jagga Navakan's patta and others in survey Nos. 226, 225 and 224 of Urani village to the Alpakam village boundary; thence the Urani village boundary common to Alpakam and Panichimedu villages excluding cultivation in survey No. 222 of Urani village to the new site for the Adikuppam hamlet near Panichimedu cart-track. <i>South</i> .—New site for hamlet named above and dry cultivation in survey Nos. 217 and 216 of Urani, the cart-track to Adikuppam hamlet, cultivation in Nos. 210, 203 and 202 to the Mangalatteri water-spread. <i>West</i> .—The water-spread of that tank and the limits of the 6th khandam and including Government waste in survey No. 107 to the point first named.
57	Vakkur	South Arcot.	Villupuram.	Vakkur and Kappiyampaliyur.	394	No. 270, dated 20th June 1890, <i>Fort St. George Gazette</i> , dated 24th June 1890, Part I, pages 431-32. <i>North</i> .—From the trijunction of Torani, Vakkur and Kappiyampaliyur villages, the line runs south-east and eastwards along the west and south sides of survey No. 611 of Vakkur (Vakkur tank) to the north-west corner of survey No. 399; then south-eastwards along the western limits of the 11th and 12th khandams to the north-west corner of survey No. 546, all of Vakkur. <i>East</i> .—Thence south-west a straight line crossing the Pambaiyer to khandam station at the north-west corner of survey No. 249 of Vakkur; then along the western limit of its 6th khandam to station at the south-west corner of its survey No. 251. <i>South</i> .—Thence westwards along the last-named khandam boundary to station at the north-east corner of No. 354; then along the eastern, northern and western limits of the 9th khandam to station at the north-east corner of No. 349; then along the northern limit of the 8th khandam to station at the north-west corner of survey No. 340, all of Vakkur village; then a straight line due west to post and cairn on the east side of survey No. 322 of Kappiyampaliyur about five chains north of its south-east corner. <i>West</i> .—Thence northwards along the eastern limits of survey Nos. 322, 321 and 320 to the north-east corner of the last-mentioned field; then a straight line northwards to the north-east corner of survey No. 819; then westwards along the north side of survey No. 819 to its north-west corner; and then a straight line westwards to the south-east corner of survey No. 66; then along the east side of that field to the south-west corner of No. 314; then the south and east sides of that field and the south sides of survey Nos. 65 and 64, all of Kappiyampaliyur village, to the eastern boundary of that village at the south-east corner of Ponda yeri (tank); then northwards along that village boundary to the starting point of the northern boundary.

No.	Name of reserved forest disafforested.	District.	Taluk or taluks.	Village or villages.	Area in acres.	Number and date of the notification declaring the area reserved, and the <i>Fort St. George Gazette</i> in which the notification was published and page.
60	Sattanur 1st Bit	South Arcot.	Villupuram.	Sattanur, Pappanapattu and Vikkiravandi.	204	No. 415, dated 8th September 1890, <i>Fort St. George Gazette</i> , dated 16th September 1890, Part I, pages 702-3. <i>North</i> .—From the western bend of the east side of survey No. 100, a straight line eastward to the south-west corner of survey No. 88, both of Sattanur; then along its south side on to the eastern margin of the South Indian Railway line; then northward along that line to the south-west corner of No. 462; then its south side to its south-east corner; then a straight line to the north-west corner of survey No. 448, all of Vikkiravandi. <i>East</i> .—Thence along the west side of survey No. 448 to its south-west corner; then the north and west sides of No. 445 and the west and south sides of No. 427 to the south-east corner of the latter; then along the southern limit of the 8th khandam to the south-east corner of No. 431, all of Vikkiravandi, and on to the southern limit of the 8th khandam to the south-east corner of No. 2 of Sattanur; then the north and west sides of that number to the Pappanapattu northern boundary. <i>South</i> .—Thence westward along the said village boundary to the north-west corner of No. 27; then a straight line to the north-east corner of No. 30, both of Pappanapattu; then along the north side of the latter field to its southern bend; then a straight line to the south-east corner of No. 3 and along its east and north sides and its southern bend to the village boundary aforesaid; then westward the north and west sides of No. 4 (both of Sattanur) on to the village boundary aforesaid; then westward along that boundary to the south-east corner of No. 203 of Sattanur. <i>West</i> .—Thence along the east sides of Nos. 203 and 202 to the south-west corner of No. 176; then along the south sides of Nos. 176, 175, 174, 173, 172, 171 and 170, and the east sides of Nos. 170 and 168 to the north-east corner of No. 162, the east side of No. 160, the south-east corner of the last field; then the south and east sides of No. 162, the east side of No. 160, the south-east corner of No. 155 and 158, and the east side of No. 158 to its north-east corner; then a straight line north-east for about two and a half chains to a cairn No. 2; then north-west to the north-east corner of No. 157; then its north side to the south-east corner of No. 135; then along the east sides of that number and of Nos. 101 and 100 (all of Sattanur) to the starting point of the northern boundary.
36	Samuattikuppam	South Arcot.	Cuddalore.	Puliyur	864	No. 8, dated 23rd December 1889, <i>Fort St. George Gazette</i> , dated 7th January 1890, Part I, page 16. <i>North</i> .—From khandam station at the south-west corner of survey No. 1101 of Puliyur, the south limit of the 3rd khandam of that village up to the south-east corner of survey No. 1107. <i>East</i> .—From the above point the west limit of the 21st khandam up to the north-east corner of survey No. 898. <i>South</i> .—From the last-named point, the north limit of the 20th khandam up to the north-east corner of survey No. 896; then the north side of that field up to south-east corner of survey No. 1072; then the east side of that field to the point at which the northern boundary begins. <i>West</i> .—The boundaries are marked throughout by the Survey Department and by trenches and trees planted thereon by the Forest Department.
56	Gangarampoliem	South Arcot.	Villupuram.	Gangarampoliem and Valavanur.	435	No. 520, dated 8th November 1892, <i>Fort St. George Gazette</i> , dated 16th November 1892, Part I, page 1432. <i>North</i> .—Starting from the south-west corner of survey No. 336 of Valavanur, the line runs along the south and east sides of the said number to its north-east corner; thence along the south, east and north sides of survey No. 266 to the south-east corner of survey No. 267; thence along the east side of the north side of survey No. 266 to the south-east corner of survey No. 272; thence along its south side to its south-east corner; said field to the south-west corner of survey No. 275; thence along its south side and the west and south sides of survey Nos. 276 and 280 to the south-east corner of the last-mentioned field; thence a straight line east of survey No. 281 and 285 and the south and east sides of survey No. 286 281; thence along the east sides of survey Nos. 281 and 285 and the south and east sides of survey No. 286 281; thence along the east side of the last mentioned field; thence a straight line south to the south-east corner of the survey No. 287; thence along its east side to the south-west corner of survey No. 298; thence along the south and east sides of the said number and survey No. 296 to a point where the said east side of the latter turns west; thence a straight line north-east to the south-east corner of survey No. 295; thence along the east and north sides of survey No. 295 to the south-west corner of survey No. 821; thence the south and east sides of survey Nos. 291 and 290 to the south-east corner of the last mentioned field; along the south sides of survey Nos. 321, 324 and 326 to the south-east corner of the last mentioned field; thence along the west side of survey No. 327 and 328 and the south side of the latter to the north-east corner of survey No. 317; thence along its west side to the north-east corner of survey No. 317; west corner of survey No. 318; thence along its west side to survey No. 317, the west side of survey No. 316, and the north and west sides of survey No. 312 to its south-west corner; thence a straight line west for ninety-nine yards to west side of survey No. 312 to its south-west corner; thence a straight line west for one hundred and thirty-two yards to cairn No. 4 at the west side of the Mullipallam channel; thence along the said side of the channel to the north-west corner of survey No. 302; thence along the south sides of survey Nos. 300, 301 and 302 to the left bank of a stream near the south-west corner of survey No. 303; thence south for twenty-nine chains to cairn No. 5 at the low level contour line of Toppapallam tangal; thence west to the south-east corner of survey No. 614; thence along the east side of that field to its north-east corner; thence east for five chains to cairn No. 6; thence north-north-east for eleven chains to cairn No. 7; thence thence east for seven and a half chains to cairn No. 8; thence south-south-west for eighty yards to cairn No. 9; west-north west for eighty yards to cairn No. 8; thence south-south-west for eighty yards to cairn No. 9; thence west for seven and a half chains to cairn No. 10 on the west bank of the Mullipallam channel; thence along the said tank to a point opposite to the south-west corner of survey No. 525; thence along the south bank of the Kilari channel to a point on the north side of No. 580 opposite the south-west corner of survey No. 539; thence along the north side of survey No. 680 and the west sides of survey Nos. 680, 681 and 582, all of Gangarampoliem, to the north bank of Kallidai stream at a path to Kattu Aiyankoil; thence along the said path to cairn No. 11 at the south-east corner of the land excluded for Kattu Aiyankoil; thence along its east side to its north-west corner, cairn No. 12; thence along its north side to its north-west corner, cairn No. 13; thence along its west side to its south-west corner, cairn No. 14, on the north side of the Chinna Sellengal odai stream; thence across the odai to its south bank; thence along the said bank to cairn No. 15, three chains west of the north-west corner of survey No. 661 of Valavanur. <i>West</i> .—Thence a straight line north across survey Nos. 666, 665 and 623 to a point on the west side of the latter where it turns north-north-east on the east bank of the Chinna Sellengal channel; thence along the

No.	Name of reserved forest disafforested.	District.	Taluk or taluks.	Village or villages.	Area in acres.	Number and date of the notification declaring the area reserved, and the <i>Fort St. George Gazette</i> in which the notification was published and page.
64	Sattanur 2nd bit	South Arcot.	Villupuram.	Sattanur and Pappanappattu.	329	No. 261, dated 11th June 1891; <i>Fort St. George Gazette</i> , dated 16th June 1891, Part I, page 652. <i>North</i> .—Starting from cairn No. 1 where the path from Orathur joins the Kuchipalayam-Kottiyampundi path, a straight line eastward to the khandam station about one hundred yards south-east of south-east corner of survey No. 557 of Sattanur village; thence slightly south of east along the south limit of Sattanur, 10th khandam, to the Pappanappattu village northern boundary. <i>East</i> .—Thence southward a straight line to the north-east corner of survey No. 355; thence along the north side of that field and the west side of survey No. 349 to the north-east corner of survey No. 354, all of Pappanappattu. <i>South</i> .—Thence along the north sides of Pappanappattu, survey Nos. 354 and 360, and the west side of the latter to the Orathur northern boundary; thence westwards along that boundary to its trijunction with Tumbur and Sattanur. <i>West</i> .—Thence a demarcated straight line north-eastwards to the starting point of the northern boundary.
23	Panchalam	South Arcot.	Tinjivanam.	Melpakkam and Panchalam.	1,120	No. 511, dated 20th November 1890; <i>Fort St. George Gazette</i> , dated 25th November 1890, Part I, pages 958-59. <i>North</i> .—The south sides of survey Nos. 186 and 191 from where the Pattanam-Neikuppi path crosses the former to the eastern end of the latter; thence a straight line to the eastern turning of the west side, cairn No. 1 of survey No. 203; thence another to the south-west corner of survey No. 223, all of Melpakkam, and along its south side to its south-east corner; thence a straight line to the southern turning of the south side of survey No. 169 of Panchalam; thence a second to its south-east corner. <i>East</i> .—From the last-named point along the South Indian Railway line to the Salavadi village northern boundary. <i>South</i> .—Thence along the northern boundaries of Salavadi and Roshanai westwards to the eastern boundary of Pattanam. <i>West</i> .—Thence northwards along the eastern boundaries of Pattanam and Vural to the Pattanam-Neikuppi path and along it to whence the northern boundary starts.
81	Perichanur	South Arcot.	Tirukoyilur.	Perichanur, Sattiyakandanur, and Mugaiyur.	659	No. 234, dated 26th May 1892; <i>Fort St. George Gazette</i> , dated 21st May 1892, Part I, page 642. <i>North</i> .—Starting from the north-east corner of survey No. 85 of Sattiyakandanur, the line runs along the south bank of the supply channel of Perichanur Sitteri (tank) to where it crosses the west side of survey No. 172 of Perichanur; thence along the west and south sides of that field to its south-east corner; thence a straight line east to where the south side of survey No. 171 (from the east) turns north; thence along the south sides of survey Nos. 171 and 166 and the west side of the Sitteri (tank) to the north-west corner of survey No. 174; thence along the west sides of survey Nos. 174 and 175 to the south-west corner of the latter; thence along the north side of survey No. 176 to its north-west corner; thence a straight line west for six chains to cairn No. 1; thence a straight line southwards to the north-west corner of survey No. 177; thence along the west and south sides of that field to its south-east corner; thence a straight line east for ten chains to cairn No. 2; thence a straight line northwards to the south-east corner of survey No. 178; thence along the south side of survey No. 173 to the south bank of the surplus channel of Periyayeri; thence along the said bank of the channel to the west side of survey No. 232; thence a straight line to the north-east corner of survey No. 255; thence along the north, west and south sides of that field to where the last-mentioned side (from the west) turns east for second time; thence a straight line to the khandam stone at the south-west corner of survey No. 281; thence along the south and east sides of that field to its north-east corner; thence a straight line to the south-east corner of survey No. 35, all of Perichanur village. <i>East</i> .—From the last point a straight line to the north-east corner of survey No. 271; thence along its north side to its north-west corner; thence a straight line west for twenty-two chains to cairn No. 3; thence a straight line to the north-west corner of survey No. 270; thence along its west side to its south-west corner; thence a straight line to the south-east corner of survey No. 258 (inside the forest); thence a straight line to the north-west corner of survey No. 282; thence along the west side of that field to its south-west corner; thence along the north, west and south sides of survey No. 253 to the north-west corner of survey No. 284; thence along the west side of that field and the west and south sides of survey No. 285, all of Perichanur, to the north-west corner of survey No. 67 of Mugaiyur; thence along the west side of that field to its south-west corner. <i>South</i> .—From the last point along the north and west boundaries of Ayandur to the north-east corner of the 5th khandam of Mugaiyur; thence along the north side of that khandam to the north-east corner of survey No. 221; thence a straight line to the south-east corner of survey No. 65; thence a straight line to the south-west corner of survey No. 66; thence along the south and east sides of that field to its north-east corner; thence a straight line to the south-east corner of survey No. 63; thence along the east and north sides of that field to its north-west corner; thence a straight line to the north-east corner of survey No. 219; thence along the north and west sides of that field to the north-east corner of survey No. 213; thence along the north sides of the 5th and 4th khandams to the north-east corner of survey No. 172; thence a straight line to the south-west corner of survey No. 61; thence along the south and east sides of that field to the south side of survey No. 62; thence along the north side of that field to its north-west corner; thence a straight line to the south-east corner of survey No. 60; thence along the east, north and west sides of that field to the south-east corner of survey No. 59; thence along the north sides of survey Nos. 59 and 58 to the northernmost corner of the latter; thence a straight line to the south-east corner of survey No. 67; thence along the east, north and west sides of that field to the north-east corner of survey No. 66; thence along its north side to its north-

No.	Name of reserved forest disafforested.	District.	Taluk or taluks.	Village or villages.	Area in acres.	Number and date of the notification declaring the area reserved, and the <i>Fort St. George Gazette</i> in which the notification was published and page.
						west corner; thence a straight line to the north-east corner of survey No. 55; thence along the north and west sides of that field to the north-east corner of survey No. 54; thence along the north side of that field to its north-west corner; thence a straight line to the south-east corner of survey No. 49, all of Mugaiyur village. <i>West</i> .—From the last-mentioned point along the east and north sides of survey No. 49 to the south-east corner of survey No. 59; thence along the east side of that field to its north-east corner; thence along the south, east and north sides of survey No. 53 to the north-east corner of survey No. 101 of Sattiyakandanur of that field, all of Mugaiyur village, to the south-east corner of survey No. 101 of Sattiyakandanur of that field; thence a straight line north-east to the boundary stone immediately to the north of the Mugaiyur-Sattiyakandanur-Perichanur trijunction; thence along the Sattiyakandanur east boundary to the starting point of the north boundary.

BAIEF DESCRIPTION.—Minor forests and pasture lands.
REASONS FOR DISAFFORESTATION.—Disafforestation recommended in accordance with the principles of the present forest policy and order of Government—vide G.O., No. 46, Revenue, dated 29th January 1896, Forest No. 14, embodied in Board's Proceedings, dated 27th February 1896, Forest No. 96.
