With reference to official memorandum no. 132, Revenue, dated 2nd July 1897, the Superintendent, Government Press, submits that the Register maintained in the Secretariat shows the sets of proofs to have been received in the press and attended to, it is the more likely that the G. O. no. 740 was not forwarded through an accident or oversight in the despatching from the Secretariat. The entry in the Register is no proof that the G. O. no. 740 was actually despatched to the Press.

2. The contents of boxes containing Lf. B. received daily from the General Secretariats are invariably attended to by the Superintendent, and in his absence by the Deputy and Assistant Superintendents.

before the press subordinates
handle the papers, and all papers
for the Gazette are carefully
selected and arranged for, to
prevent delay or loss of the
papers.

3. A further search had
been made in the files of G. O.
maintained by the Superintendent,
but G. O. no. 740 is not found.

OFFICE NOTE.

In reply to official memorandum No. 117 Revenue, dated 5th June 1897, the Superintendent, Government Press, submits that a very careful search has been made for G.O. No. 740 Revenue, dated 22nd December 1896, but it cannot be traced as having been communicated to the Press, for the purpose of publication of the notifications as it does not appear in the Gazette Register.

2. As regards paragraph 2, the Superintendent submits that the notifications were received on Tuesday the 1st Instant at 7 P.M., too late for insertion in the Front St. George Gazette of that evening. Furthermore the notifications were not in type after such a length of time and the Gazette Part I was made up.

3. If the clerk sending the G.O. No. 2712 dated 28th May 1897, had marked on it that the notifications were if possible to be inserted in that evening's Gazette, or if he

notifications, the Superintendent would
have delayed the issue of the Gazette ^{which concerned but for the Government}
by two or three hours on Wednesday ^{and then the Despatches. The Despatches}
to insert them. ^{has been asked to reply to query.}

4. Attention is respectfully
invited to the latter portion of
para 2 of G.O. No. 906 Public dated ^{28.11.97}
4th November 1895, fixing the times
for the receipt of such notifications
for insertion in the Gazette.
