C No 1108 of 1897.

In the Proceedings read above, the Board recommends the entertainment of four clerks on Rs 15 each (with an allowance of 50 per cent of the pay) for one year for clearing off arrears of work in the Wynaad taluk office. The Collector reports that all sorts of work have fallen into hopeless arrears and principal among them are the following items:—

(a) Excess collections have not been refunded or adjusted since fasli 1290.

(b). Sale certificates in cases of lands sold for arrears, have not been prepared in several hundreds of cases.

(c). Numerous discrepancies between the village and Taluk accounts remain to be reconciled.

(d) Records are in a state of confusion and 132 duftars of them require to be sorted and arranged.

(e) Seventy seven Summons applications are pending.

2. The number of permanent Clerks provided for the Taluk office is inadequate

Mr Hammond C.S.

The state of affairs in the Wynaad taluk, described by Mr Dawes after personal inspection is such as to warrant granting the assistance applied for, and as many as available for 10 months I think two clerks only be allowed for that time. The discrepancies between the taluk & village accounts must be rectified at once. Let me see. 1/12/97.

I agree - Dr. 1/12/97.
We struck me that in such special cases as that of the Taluk we might proceed to carry out the reorganization of the Establishment before we have already agreed - I will write a note. This is important as giving a work to be done. 1/12/97
Although we cant reorganize the Taluk establishment generally without going to the S. of S. we can declare the Taluk without doing so — Department with better rates pay would be a distinct advantage to the Taluk. 1/12/97

in question is eight. In G.O. 1605/23.4.95 however, the entertainment of two temporary clerks for one year on Rs 20 each (with Wynaad allowance) was sanctioned, on the Collector's representation supported by the Board that the work in the taluk could not be carried on without additional clerical assistance; and in G.O. 2351/16.6.96 the retention of the two clerks pending the general revision of the taluk establishments was sanctioned. In the general revision submitted by the Board and now approved in G.O. 624 Rev/4.1.98, only one clerk was proposed to be added to the Wynaad taluk office but the proposal is not likely to be given effect to till after sometime so that the number of clerks working in that office will be ten, eight permanent and two temporary. It is however reported that the Tahsildar could not get the whole number of clerks for work every day owing to ill-health and in view of the hopeless state of arrears, the entertainment of the temporary hands now sought for may be sanctioned.

3. In para 2 of the Proceedings, the Board states that the cost of the establishment amounting to Rs 1000, can be met from the Reserve grant 1138 (Item 5) in the last page of G.O. 681/1.12.96). But recently a temporary establishment costing Rs 75 per mensem was sanctioned for four months from 1st January 97 to collect the melvaram produce from the two reverted villages in the Ponneri taluk, Chingleput Dt. The charge for this establishment for the next year (1897-98) has been provided from the Reserve of Rs 1138 referred to above. Deducting Rs 150 for this item, there will remain only Rs 988 to meet the present expenditure.

4. The entries in the column of "Present scale" in the Proprietor's statement are certified to have been compared and found correct. But the two temporary clerks sanctioned in G.O.s 1605 dt 23.4.95 & 2351 dt 16.6.96 are not shown therein.

C.to 1108 of 97.

G.O. trns. No: 1397 d/ 12th May 1897

In the circumstances reported by the Collector, the entertainment, in the Wynaad taluk office, of four temporary clerks on Rs 15 each (with an allowance of 50 per cent of the pay) is approved; but as the balance available out of the Reserve of Rs 1138 (Item 51 in the Appendix to G.O. 681/Rev 1.12.96) after deducting Rs 150 on account of the establishment sanctioned in G.O. No. 925/16.2.97, will be only Rs 988, the temporary establishment is sanctioned for a period of ten months and every endeavour should be made to complete the work before the expiry of that period.

2. It is observed that the Proposition statement prepared in the Board's office, the entries in the column of 'Present Scale' of which have been certified by the Accountant-General to have been compared and found correct, does not show the two temporary clerks sanctioned in G.O. Rev

1105

16057 23.4.95 and 23517 15.5.95. These will now be entered in the Statement.

3. The Proposition statement modified with reference to the above remarks will be transferred to the Financial Department.

4. The discrepancies between the village and taluk accounts referred to in para 3 of the Collector's Letter should be reconciled with the least possible delay.

5. The Board of Revenue is requested to report whether if the re-organization of the establishment of the Wynaad taluk office can be carried out at once, it would not materially improve the efficiency of the office, as approved in G.O. 624 14-11-95 and, if so, to submit the necessary proposition statement.
