Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 6th March 1897.

No. 1674 Miscellaneous.

READ ..... the following letter from the Collector of Bellary, dated 28th February 1897 Dis 28. 1199.

Referring to the Proceedings of the Board of Revenue No. 37 dated 18th January 1897, I have the honor to State that an attempt made to Start operations for the relief of weavers of Kampli has proved unsuccessful.

2. In the first place the weavers refuse to weave cloths without Silk borders and those accustomed to make bodice cloth not only decline to weave any other kind of cloth, but also decline to make even bodices without Silk borders. In the Second place they all declare

declare that the wages are insufficient.

3 The fact is that there is still a fair demand for the cloths from Mysore and the West Coast, and with the fall in prices which has taken place since the date of the Head Assistant's letter, the weavers are not at present in need of State relief. I am told, though on somewhat doubtful authority, that the weavers have formed a Cooperative Society for the purchase and supply of grain. If relief should be found necessary hereafter, para 3 of the Board's Proceedings will be borne in mind in revising the task tables.
