PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Accountant-General, Madras, No. 3886⁷, dated 17th December 1896, forwarding copy of the following letter to the Secretary to the Commissioners of Land Revenue:—

I have the honour to state that the actuals booked for the first 7 months of the current year under "Land Records and Agriculture" exhibit an excess owing to the debit to that head of the travelling allowance of Revenue Inspectors whilst the provision stands under "Charges of District Administration". I request therefore that you will be good enough to move the Board to obtain an additional allotment of Rs. 16000, under "Land Records and Agriculture" by transfer from charges of "District Administration". I take this opportunity to inform the Board that I have accordingly transferred a similar amount in the Budget Estimates of 1897-98.

Order No. 896, dated 21st December 1896.

The proposed transfer is approved.

2. It is observed that the travelling allowances of Tahsildars as well as all charges connected with "Supplies & services" and "Contingencies" of subdivisional establishments are at present shown under "General establishments". It is desirable that the charges should, if possible, be separated and

and exhibited under the proper heads, in the final issues of
the Civil estimates for 1897-98.
