5. Items (4) and (5) consist generally of waste and shavi remissions and remissions of prohibitory assessment or water-

6. Details for item (6) "other items" are furnished below:—

Bellary.—(1) Rs. 12 due on lands held by a pauper minor. The lands were left waste.

(2) Rs. 399. This amount is stated to have been lost by theft, but no information has been furnished as regards the person from whom and the circumstances under which the money was stolen. The Collector is requested to supply the omission. It is reported, however, that the magistrate who tried the case found that the theft really took place and convicted the accused.

(3) Rs. 7, being the amount embezzled by a village reddi who is being criminally prosecuted. The amount has been classed as irrecoverable.

South Arcot.—Rs. 4 represents the assessment on the site of the traveller's bungalow in the possession of the Cuddalore Taluk Board. It is observed that the site on which the bungalow stands has been ordered to be exempted under Government Order, No. 1072, Revenue, dated 11th December 1893.

7. In addition to the amount recommended in paragraph 2 above, the sanction of Government is requested to write off the accounts a sum of As. 5-5 representing fish-rent in the Tinnevely district. The amount is irrecoverable, the processes authorized by law having been exhausted.
