Dated 16th February 1897

No. 1205 Mis:

Read the following letter from the Collector of Bellary dated

11th February 1897 Reference on G. & B. No: 235.:-

With reference to G. O. No: 511 Mis: dated 27th January 1897 and my telegram dated 9th instant, I have the honour to forward herewith a statement showing the number of loan applications with the amounts involved pending in the several Taluks of this District up to the end of January 1897. From the statement, it will be observed that the number is largest in Alur and Bellary, and to ensure prompt disposal, it is necessary that a special Deputy ~~Collector~~ Tahsildar should be appointed for each of the Taluks. I recommend that their pay be fixed at 120 per mensem. They may each be allowed an establishment of a clerk on Rs 20 and a peon on Rs 6/-. A proposition statement will be submitted on receipt of Board's orders.

Resolution.

With reference to Board's
Proceedings no 924 Dis: Revenue,
Settlement dated 8th February
1897 requesting me to state
whether assistance of the kind
proposed in Government Order
No 511 Dis: dated 27th January

of the land's work, is required
in this district, I have the
honor

honour to state that I would certainly like to have a special Tahsildar for each of the Taluks of Gooty, Anantapur and Kalyandurg, whose loan work is abnormally heavy.

2. The annexed statement will give an idea of the work that has been turned out and what still remains to be done. Though the Tahsildars are bestowing a great deal of attention to this work and disposing of a good number of applications, the fresh receipt of applications almost every day augments the pendency, which continues to remain steady. The heaviest pendency is in Gooty taluk, which pre-eminently requires the early entertainment of a special

Resolution.

Submitted for the favourable Consideration of Government with reference to Government Order No 511 Misc. dated 27 January 1897.

2. In the present state of the season, when the Tahsildars have very heavy work in connection with Revenue remissions and the coming Janabandi as well as in connection with direct measures of relief, it is, in the Board's opinion, desirable

desirable to relieve them of
loan work, in order that
this may be disposed of

In G.O. 571 of 27th Jan'y 97.
the Comr. of Prillman has been
called upon to report whether
it would not be well to appoint
officers in the position of Dy. Tax Collectors
to supervise the work of Special
Rev. Inspectors. to be appointed
for the speedy dispatch of ap-
plications for loans in his district.

2. When a copy of this order was communicated to the Board for information, it called upon the Col^l of Assam for a similar report and suggested that there would be considerable advantage in trying officers of the rank of Tahsildar who could sanction the loans under the rules and order payments at once, which the Dy. Tahsildars cannot do.

In a recent G.O. the Collector of

 report whether it would not faci-
 litate the disposal of loans work
 in his district if Special Dy. Tahsil-
 dars were appointed to super-
 vise the work of the Special Res.
 Inspectors already embarked
 for the purpose. On receipt of
 this G.O. the Board of its own
 motion called upon the Collector
 of Anantapur to submit a
 similar report for his district
 enquiring at the same time whether it
 will be held by these Tahsildars instead of P.T.
 The currents read above contain
 the replies of the two Collectors
 the Collector of Bellary
 wants 2 Deputy Tahsildars on
 Rs 120 with establishments for
 each of the Taluqs of Aher &
 Adoni. The Collector of Anantapur
 wants three Special Tahsildars
 for each of the Taluqs of Gashy.

The Secy to the Collector of
 Bellary has been asked
 to submit a report on this
 subject.

3. In a recent D.O. Mr. Le Gall ~~stated that Mr. Rappal-~~ named alhier was of opinion that it would be better to appoint Dy Collectors for the work and that he also agreed in this view. It is submitted that five Tahsildars are too many and that two special Dy Collectors ^{one for each district will} ~~will be able to~~ do the work much quicker and will also ^{be able to} see that the loans really reach the borrowers. They must ~~have~~ of course be allowed a ^{establishment} sufficient to cope with the scripitory work involved, ~~including~~ filling up deed forms, maintaining registers, the Rev Inspectors already sanctioned will do the inspection work.

In considering this matter it is necessary to remember that a Deputy Tehdilsar can not sanction or dispose of any loan, while a Tehsildar can grant loans up to Rs. 250 himself & a Deputy Collector up to Rs. 500.

^{When done} The statement of work in Bellary is flagged A. That relating to Anantapur is flagged B. A special Deputy Collector has been sanctioned to relieve the divisional officers of the Bellary & Adoni divisions. In Anantapur a special officer has been appointed to relieve the Divl Officer of Gooty Anantapur & Pennukonda. The latter officer is stationed at Anantapur & has only Magisterial work to do. Such portion of the work as has to be done by a Deputy Collector may be assigned to these officers -

IN Bellary a special Tehsildar is wanted for the Taluk of Adoni & Alur & another for the taluk of Bellary & the rest of the district or he might be given the

Badgali taluk only & the ordinary staff left to deal with the work elsewhere.

The allotment of work
must be left to the
C.M.
JG

In Anantapur a special Tehsildar may be appointed to
the Gooty & another to Anantapur & Kaliandrug taluks

These tehsildars should be paid Rs. 150 each & should be allowed two clerks on RS 25 & three peons on Rs 7.

It is not at all certain that these men will have enough work to occupy their whole time & it should, I think, be laid down that they are to be available for other relief inspection purposes. To keep them going properly there must be a strong staff of Revenue Inspectors appointed & they must have a strong clerical staff under them.

26/2/97.

I think these suggestions for the appointment of 4 Tahsildars on Rs 150 each are necessary. As the Rev Inspectors have been appointed already. If more are required the Collector & the Board will ask for more.
