Sir,

With reference to para 9 of Board's Proceedings Forest No 1347 mis, dated 24 October/93, I have the honor to report that negotiations with a view to the award of compensation in money or land having failed owing to the excessive demands of the owner, I request that the sanction of Government be obtained under sec 18 of the Forest Act to the grant in putta of the land with right of access. The survey nos of the field are 31 & 32 & the extent 24.50 acres. Access can be allowed by a path leading off the gutter Nagasamudram road, the fields being situated on that road.

There has, I regret, been much delay in the disposal of this case owing chiefly to the attitude of the claimant who does not appear to have been amenable to reason.

A copy of the map of the Reserve is herewith enclosed for reference and return. The fields have been marked on it with blue pencil.

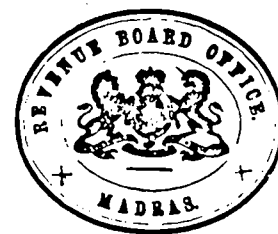

I have the honor to be

Resolution.

Submitted to Government for orders.

During the settlement of the Guttur reserve in the
Anantapur District, which was constituted a Reserved Forest
under G.O. NO. 298 dated 3rd May 1894, one Ranganatha Papayya
put in a claim for patta rights over an area of 21.5 acres
comprised in S. Nos. 51 & 52 of Arumpalli, hamlet of Marudugu
(vide claim 29, page 15 of B.P.F. NO. 354 dated 7th April 94).
The Forest Settlement Officer dismissed the claim on 8th June
1895 on the technical ground that it was time-barred. The
Board, however, considered that the owner or occupier of the
land was entitled to relief and requested the Collector to re-
port whether compensation could be awarded in money or land
or whether a patta under section 18 of the Forest Act should
be granted to the claimant. (Vide para 1 (IX) of B.P.F. NO. 1547
Misc, dated 24th October 1895 printed at page 5 of the B.P.
dated 7th April 1894, quoted above)

The Collector now reports that the owner is not dis-
posed to accept reasonable compensation and suggests the
grant of a patta for the lands in question with the necessary

right of access thereto. The Conservator recommends the adoption of the Collector's proposal and the Board supports it.

A draft notification conceding the right to the claimant is accordingly submitted for the approval of Government and publication in the Fort Saint George Gazette.
