READ—the following papers:—

From J. HANNAN, Esq., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated 14th June 1897, No. 314 W.

I have the honour to submit herewith the plans and estimate amounting to Rs. 7,040 for forming a road from Tuvur to Karivarakundu in Ernad taluk, Malabar district, and to request you will be good enough to obtain sanction of Government for the same.

Note by the Chief Engineer, Public Works Department.

The estimate is apparently approximate only, since it is assumed that one-third of the excavation is earth, one-third laterite and one-third gravel. Careful classification of these soils will be necessary during measurement.

2. No provision has been made for masonry works which will, it is thought, be necessary, especially where the line crosses paddy flats which will presumably have to be drained.

3. It has not been made clear why no compensation for land to be taken up has been provided.

4. The work may be commenced, care being taken to avoid cultivation where land may not have been handed over by the Revenue Department.

5. A revised estimate should, if necessary, be submitted without delay.

(Signed) D. McNEIL CAMPBELL, Colonel, R.E.,
Chief Engineer.

6th July 1897.

ORDER—No. 1862 W., dated 12th July 1897.

The estimate amounting to Rs. 7,040, for constructing a road from Tuvur to Karivarakundu in the Malabar district, is sanctioned as supplemental to the estimate of Rs. 5,150 sanctioned in G.O., No. 879 W., dated 29th March 1897.

2. There is a provision of Rs. 50,000 in the current year's budget for roads in the Mapilla tracts.

3. Attention is drawn to the Chief Engineer's note recorded above.

4. This sanction has been registered as Provincial No. 29 W. of 1897–98 and classified as "Communications—Original Works."
