Proceedings of the Board of Revenue

(Land Revenue)

Forest NO.213 Misc,dated 4th March 1897

Read the following:-

Government Order,Revenue Department,dated 8th Decr. 1896,NO.5007 and the following reference thereon dated 30th Decr. 1896.

Referred to the Collector of Tinnevelly for report.

2 The following endorsement of the Conservator of Forests,Southern Circle,dated 4th February 1897,R.C.NO.3681 on letter from the Collector of Tinnevelly,dated 15th January 97 Dis NO.30/G1.

Forwarded-it is noted that the Forest Officer states the present road alignment through the village is a public right of way.

3 The following endorsement of the Conservator of Forests,Southern Circle,dated 5th February 1897,R.C.NO.3674 on letter from the Collector of Tinnevelly,dated 15th January 1897,Ref,A on B & C NO.153.

Forwarded-with full approval as an initial step to an understanding with the Estate owner whose good will is, I contend, a sine qua non of our success in conservancy.

4 Letter from the Conservator of Forests,Southern Circle,dated 13th February 1897,NO.3681.

Resolution.

The proposals contained in the Collector's letter NO.153,dated 15th January 1897 are approved and the Board considers that the Rukdar may be allowed to use the new road at once.

3 As regards the proposal to exempt certain persons from tolls, it is not understood how it is proposed to distinguish Estate and Government coolies from ordinary way farers. The Collector is requested to report on this point.

5 With its Proceedings F.NO.1411, dated 25th September 1895, the Board submitted to Government a preliminary draft notification under section 4 of Act 1 of 1894 for the acquisition of about 9 acres of land belonging to the Kattalamalai Estate, the land being required for the Papanassam Ghaut Road. The notification was approved in G.O.NO.4339 dated 1st Novr. 1895 and published in the Fort Saint George Gazette of the 5th Idem. As the land in question is required for a public purpose and as it is proposed to award compensation therefor, it is necessary that a draft declaration under section 6 of the Act should be published by Government. The Collector now submits this notification with his letter NO.30, dated 7th January 1897 read above and the Board requests that Government will be pleased to publish the same in the Fort Saint George Gazette.

In para 4 of its Proceedings quoted above, the Board desired the Collector to use every endeavour to carry the line of the road as far as possible from the Church and the Bungalow. This instruction was given in order to avoid inconvenience to the inhabitants of the village on the Kattalamalai Estate, but it is observed from the Collector's letter last quoted that it is not possible to carry out the Board's Orders. It is noted that in the low ground it has been arranged not to widen the existing width of the roadway.
