When I was Sub Collector of Salem I saw a great deal of Mr. M. R. Sambiah's work. I was very much pleased with his magisterial and Revenue work. He has a great tact and a wonderful power for organization. In magisterial work he takes great interest and I can say that the detection of some cases was due to his exertions. His character is beyond suspicion. He has passed several tests and is fully qualified for a Deputy Collector's post. I sincerely trust he will soon be a Divisional officer and have no doubt that he will give entire satisfaction in that Capacity.

M. R. Ry. M. R. Saubier auergal was acting Talukdar of Tinchengoo when I joined this Division in 1826. He Continued in the Taluk for about Seven months and had to resign his permanent place in Dharmapuri on return of the permanent incumbent.

Mr Saubier's work was uniformly marked by a tact & judgment peculiar to him and I believe, he gave great satisfaction in the discharge of his duties and was a very respectable officer.

His forefathers have held high appointments and been big landholders under government and Mr Saubier's debartement has always been in perfect keeping with the highly respectable family to which he belongs.
