JULY.

5/8/97

Bubonic Plague.

Ordering, with remarks, the publication of a notification appointing, with effect from 16th August 1897, Kondapalli as an inspection station under No. 14 of the Regulations under the Epidemic Diseases Act, 1897, for district municipalities and towns and villages.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 1481 M., dated 25th June 1897.

ABSTRACT.—Ordering the publication of a notification appointing Bezwada as an inspection station under No. 14 of the Regulations under the Epidemic Diseases Act, 1897, for district municipalities and towns and villages.

READ—also the following paper:—

From J. K. BATTEN, Esq., Acting Collector, Kistna District, to the Secretary to Government, Local and Municipal Department, dated Masulipatam, 16th July 1897, No. 288.

Adverting to G.O., No. 1481 M., dated 25th June 1897, ordering the location of the plague inspection station at Bezwada until Puri car festival is over and to G.O., No. 1556 M., dated 7th July 1897, recording telegram from the Government of India stating that the car festival in question will last till the end of the current month, I have the honour to request to be informed whether the inspection station can be retransferred to Kondapalli on 1st August 1897. The accommodation provided at Bezwada is of a very temporary nature, while that at Kondapalli consists of semi-permanent sheds built at a cost of about Rs. 5,000 on an extensive scale.

ORDER—No. 1639 M., dated 23rd July 1897.

As the traffic of returning pilgrims is likely to continue for about a fortnight after the close of the Puri festival, the Government considers that the inspection station at Bezwada should not be retransferred to Kondapalli till the 16th August 1897, from which date accordingly it should be re-established there.

2. The following notification will be published in the *Fort St. George Gazette*:—

NOTIFICATION.

His Excellency the Governor in Council hereby appoints, with effect from 16th August 1897, the railway station at Kondapalli, in the Kistna district, to be an inspection station under No. 14 of the Regulations prescribed under the Epidemic Diseases Act, 1897, for district municipalities and towns and villages, the inspection station at Bezwada being closed from the date of the establishment of the Kondapalli station.
