My dear Price,

The Govt. of India are making a great point about (1) the estimate for famine relief being split up into the appropriate minor heads and (2) getting an approximate idea how far the actuals of this and the budget of next year will be affected as regards land revenue, excise, prob. rates, Forest &c. I am sending you an official today about it, No. 4 of Jan 5th. Will you see that it receives the earliest attention. My budget and revised have to be in print finally by the 15th.

Yours sincerely,
F. C. Harrison

2. I request also that the charges estimated and sanctioned by Government under 53 Famine Relief for the current and ensuing years may be classified under the heads prescribed in the Government of India Resolution No. 5299 A dated 16th December 1896. Note

So far as the head, Forests, is concerned, the question whether the receipts and charges under it would in any way be affected by the unfavourable season was carefully considered at the time of issuing orders on the Forest budget and as will be seen from the Secy's note recorded at the time ~~then~~, it was not thought that "the state of the season will materially affect the figures". It is presumed

therefore that the Finl Dept may be informed accordingly and that no reference to the Board on the point is necessary. The receipts ~~and~~ charges ^{under} under the other heads dealt with by the Under Secy, i.e. Pearl Fishery and Cinchona receipts are not likely to be in any way affected by a Famine.

C. No. 117.

G. O. No. 148d/11th Jan 1897

In preparing the Revised Estimates for the current year and the Budget Estimates for 1897-98 under I Land Rev., II Excise, III Provincial Rate, and IV Forests, sufficient allowance was made for the probable decrease in consequence of the prevailing scarcity. The figures already accepted by the Finl. Dept. under these heads do not therefore require any alteration.

2. In regard to '33 Famine Relief', the Board will be requested to furnish the information called for in paras I(ii), I(iii) and 2 of the Accountant Genl's letter of a very early date.

Note

The question to what extent the prevailing scarcity will affect receipts under customs has already been taken into account - vide para 1 of the Revenue G.O. under Financial order No-797 dt 19.11.56.

2. It is not likely that the scarcity will affect stamps Receipts - These have been steadily rising during the last 14 years with one or two exceptions - regardless of bad seasons.
