PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—again the following Proceedings of the Board of Revenue (Land Revenue);
Forest Mis. No. 277, dated 21st March 1893 :—

Read—the following letter from R. SEWELL, Esq., Collector of Bellary, to the
Secretary to the Commissioners of Land Revenue (through the Conservator
of Forests, Northern Circle), dated 28th October 1892, No. 1900—4326 :—

I have the honour to forward herewith papers connected with the final settlement
of Kuppigallu reserve in Adóni taluk and to request that they may be transmitted to
Government for the issue of the final notification under section 16 of Act V of 1882.

2. The boundary notification, sketch-map, B. Register of claims and a statement
of area and condition are forwarded herewith.

3. 1st January 1893 may be fixed as the date from which the reservation shall
take effect.

ENCLOSURE No. 1.

From M.R.Ry. K. SUBBARAYADU Pantulu Garu, Deputy Collector, Adóni Division, to the
Collector of Bellary, dated Alur, 12th May 1892, No. 566.

I have the honour to submit for transmission to Government a draft notification under
section 16 of the Madras Forest Act V of 1882 in respect of the proposed Kuppigallu reserved
forest which was notified under section 4 of the Act at page 605 of the Fort St. George Gazette,
dated 30th September 1884, and republished in the District Gazette forest sheet, dated 15th Octo-
ber 1884. The proclamation under section 6 of the Act issued by the Head Assistant Collector
of Bellary who was originally appointed Forest Settlement-officer was published in the District
Gazette, dated 3rd November 1884. Similar notices were also served on all the owners or
occupiers of the fields included in or adjoining the lands proposed to be constituted into the
reserve in the manner laid down in paragraph 2 of section 4.

2. The block was partly settled by my predecessor M.R.Ry. D. Anatayya Garu, who had
inspected and perambulated its boundary and the final judgment in respect of the block was
passed by me after settling four claims filed before me. In all 46 claims were presented, of
which two were for rights of way and for a temple, one for the Railway line passing through
the reserve and the rest for occupied lands. All the claims were admitted with the exception of
one which was for certain occupied lands subsequently relinquished by the claimant.

3. A signed copy of the B. Register of claims disposed of and a sketch-map are also enclosed.

4. The name of the block as given in the notification under section 4 is "Kuppigal" but
the village map gives it as "Kuppigallu" which is consequently adopted in the papers now
submitted.

ENCLOSURE No. 2.

From M.R.Ry. K. SUBBARAYADU Pantulu Garu, Deputy Collector, Adóni Division, and
Forest Settlement-officer, Adóni, to the Collector of Bellary, dated 4th October 1892,
No. 1023.

Referring to your District Forest-officer's letter, No. 1563, dated the 26th ultimo, I have
the honour to submit a revised draft notification under section 16 of the Madras Forest Act
regarding the Kuppigallu reserve.

5/
22446996

2. The final report on the settlement of this reserve and the copy of B. Register of claims, received with your District Forest-officer's letter No. 544-1277, dated 6th June last, are returned herewith.

3. In continuation to the final report (letter No. 566, dated 13th May last) I have the honour to state that survey field No. 510 of Pedda Tumbalam included in the reserve was originally a service inam land belonging to one Kapati Narasinga. A notice under section 6 of the Act was duly served on him so long back as on 18th April 1886. The inamdar has not as yet preferred his claim in respect of his right in or over the said field. The inamdar's right has, therefore, to be considered to have been extinguished under section 17 of the Act.

ENCLOSURE No. 3.—B. Register.

ENCLOSURE No. 4.—Draft notification.

ENCLOSURE No. 5.—Sketch-map.

ENCLOSURE No. 6.—Area statement.

Endorsement by E. D. M. HOOPER, Esq., Acting Conservator of Forests,
Northern Circle, dated Vizagapatam, 25th November 1892, No. 1233.

Forwarded.

Resolution—Forest Mis. No. 277, dated 21st March 1893.

The settlement papers relating to the Kuppigallu reserve will be returned to the Collector of Bellary for revision and re-submission with reference to the remarks made below :—

(i) The paths admitted within the reserve have been described differently in the B. Register and in the draft notification. The two documents should be made to tally by adding a note in the remarks column of the register.

(ii) The width of the cart-track from Kamavaram to Pedda Tumbalam given against claim No. 26 in the register has not been carried out in the draft notification. The omission should now be supplied.

(iii) Though claim No. 37 has been presented on 5th May 1886, the Forest Settlement-officer's decision is dated 17th January 1886. It is presumed that the year 1886 in the latter case is a clerical error for 1887. If so, the necessary correction should be made in the register.

(iv) Certain claims (e.g., 25, 31, 39, &c.) are not entered in the order of their disposal as they ought. This should now be done.

(v) In the case of lands acquired for the reserve, it should be clearly stated whether the fresh grant made therefor was out of reserved or unreserved lands.

(vi) Certain alterations in red ink have been made in the boundary description which should be duly verified. The description is rather lengthy and should, if possible, be condensed.

2. An early reply is requested.

I have the honour to re-submit herewith the papers connected with the settlement of Kuppigallu block, Adóni taluk, returned for revision with Board's Proceedings, Forest Mis. No. 277, Land Revenue, dated 21st March 1893.

3. Sanction to some of the exchanges proposed by the Forest Settlement-officer has been refused in some cases, as the inamdars having relinquished the lands in fasli 1270 they had been resumed and fully assessed by the Inam Commissioner.
