BOARD OF REVENUE (LAND REVENUE), FOREST No. 15, 4TH FEBRUARY 1897.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from J. N. ATKINSON, Esq., Collector of Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Masulipatam, 17th October 1896, Cur. No. 1202-Forest:—

I have the honour to forward herewith draft notification under section 4 of the Forest Act for the reservation of Pullaripalem block, in the Bapatla taluk, amounting to 829 acres.

2. The area lies on the sandy ridge, referred to in connection with Perlavallapalem reserve (vide this office letter, Forest No. 180-Tour, dated 2nd June 1896), and on which the Nayanipalli and Pandillapalli reserves are situated; and is reported by the Executive Engineer, Western Division, to be unirrigable.

3. It does not contain much jungle, but is mostly grass land with palmyras; but it is close to Nayanipalli reserve, and could be conveniently, and at the same time most beneficially, planted up together with that reserve. Plantations are much required in this part of the taluk, which is almost destitute of wood, and which is studded with densely populated villages. It is close to the new line of rail.

4. An area of about 1,200 acres has been left out in this village for communal requirements and for extension of cultivation.

5. The area was selected by Deputy Ranger A. N. Bhujanga Rao in October 1893 and perambulated by him, but modified by the District Forest-officer in April 1895. It was demarcated by that Deputy Ranger in April 1896 and inspected by the District Forest-officer in June 1896.

6. The statement of condition and area and demarcation certificate are herewith sent.
