REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 15th March 1897.

No. 1958 Mis

READ ~~docket Letter~~ from the Collector of Kurnool, dated 10th March 1897, T. Dis No. $\frac{383}{Eng}$ of 1897, submitting statement showing the composition of gangs and the work turned out in the Kurnool District for the period from 14th to 28th February 1897.

Resolution

Submitted for the information of Government.

2. The tasks set for cutting side drains differed widely at the different works, thus:—

Child units.	Class.	Task.	Task per unit
Pattikonda-Nolagaville road	899 —	B —	1618 — 1·8
Cork Bangana-palli road-1st Section	503 —	A —	3674 — 7·3
Do — 2nd Section	953 —	C —	6376 — 6·7

Child units - Class - Task - Task per unit

Koilkuntla-Allagadda road } 847 — C — 6865 — 8.1

Allagadda-Koilkuntla road } 1434 — A — 23870 — 16.6

In the absence of information as to the nature of the soil in which the side drains were cut in each case and the condition of the workers, it is difficult to say how far the tasks imposed were adequate. In the case of the last mentioned work only, a fourth of the task set seems to have been turned out and yet the deduction in wage in the case of none of the gang exceeded $\frac{1}{5}$th.
